Bev Moffat
2022-23 President

Our meeting was enthusiastically attended by 21 members and guests, and we were delighted to welcome Alex Lang, a friend of John Sharp's and a member of Richmond Rotary in New Zealand. Neil McKay thought he had avoided birthday celebrations, however we snuck in a belated happy birthday in our usual way: cupcake and candle.

Alex provided a very interesting talk, focussing on one of the international aspects of Rotary: Youth Exchange. He and his wife have welcomed 7 students over the years and remain in contact with two of them, one in South Africa and the other in Japan. In addition, his granddaughter spent a year in Brazil on exchange and came home fluent in Portuguese and remains in contact with several of the exchange students from her year. Alex presented Bev with a Richmond Rotary banner and was given one of our coasters in exchange.

As guest speaker, I provided a thumbnail sketch of my life, both growing up and getting married in South Africa, then migrating to Australia with a 2-month-old baby, and my life over in this wonderful country for the past 40 odd years. We are blessed to have two wonderful sons both with delightful partners, 2 grandsons, a granddaughter, and a step granddaughter who all bring us so much joy! Jim Calcei reminded us of Samaritan's Purse, with the opportunity to take Shoe Boxes home with us to fill and return. Such a fantastic opportunity to give a little ray of sunshine to those who have so little. If you missed out, be sure to check with Jim for some boxes.

John Sharp spoke to us about the Bulldust and Back car rally organised by Mill Point Rotary to be held in October. Please see details later in the Bulletin. He also gave an update on the Aspiring Leaders Programme in which it is intended that the next intake will commence in October 2022, and we will start the process for the 2023/24 intake in March 2023, to align this programme with our Rotary year. Attadale Rotary, along with the other clubs in our zone, has been selected to take part in the Jennifer Jones Challenge, further details to be provided.

Bev spoke to the meeting with regards to the governance around Youth Protection, advising that anyone who has a designated Youth role, is required to hold a Working with Children's card. All other members who may have a general role working with Youth, are required to complete a Volunteer form, which confirms that you are suitable for this role. Anyone falling into either of these categories is requested to contact Joyce Smith to ensure that procedures are followed.

Our door prize was won by our guest, Alex Lang, and the Joker draw was won by George Lewkowski, who kindly donated his bottle of wine to Bev – thank you, George. George did not have his usual success in things of chance and the Joker remains in the pack. Jim Calcei kept us entertained with Happy Dollars.

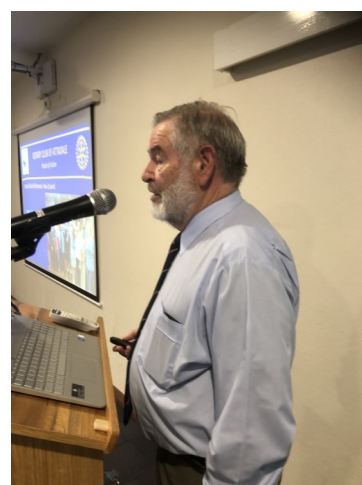

Our President's language challenge was thwarted by technology, with the answer appearing on the screen along with the question: "Jambo" in Swahili means Hello. This week's challenge is Greek – "Kalimera" - good morning, in English. Hopefully our technology is a little more reliable next meeting!

We look forward to welcoming AG Kenn Williams to our next meeting on 6th September, to talk to us about some of the changes in the pipeline for Rotary: Redistricting, Regionalisation and the Jennifer Jones Challenge. As Club members are going to be required to vote on these matters, **it is critical that you attend this meeting and get informed.**

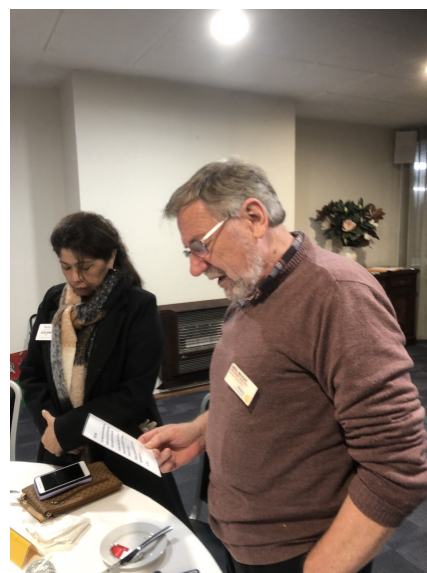

Yours in Rotary

Bev

Fellow Rotarians.

The following outlines the process for the Aspiring Leaders Program. I need two things from our members to make this successful.

1. Identify possible participants and provide their contact details to me after you have shared an outline of the program with them and they have shown interest
2. Nominate yourself for one or more of the following positions:
 - a. A buddy-mentor for the participants (staying in touch and escorting the ALP Member whilst they establish relationships within the club}
 - b. Program coordinator
 - c. Members willing to meet with the participants and share their business/professional background (easy role, not time consuming}
 - d. Members willing to do some pro bono 'coaching' /'Mentoring' with participants. Can be formal coaching or mentoring e.g., practical business experience advice

Aspiring Leaders Program (ALP) 2022 – 2023

PURPOSE

- to provide
 - Coaching & mentoring to those aspiring to future leadership positions.
 - personal development opportunities for aspiring leaders
 - network opportunities for aspiring leaders with other professionals
 - to bring at least two younger members into the RCA, for a period of two years.

DESCRIPTION

The Rotary Club of Attadale (RCA) will offer a two-year Aspiring Leaders Program (ALP) for a second year commencing in October 2022. The ALP offers participants the invaluable professional and personal experience of being a member of highly respected community service organisation and developing leadership skills in the process.

Participants will have access to significant mentoring experiences, one-to-one professional coaching sessions and will gain a range of experiences, including co-leading a community service event. The Club will support each participant to attend and engage with the larger Rotary community.

The first year of the program will focus on the skill development of ALP participants, with them being recipients of pro bono coaching, mentoring, training and development, through club members.

In the second year, to further support participants with enhancing these skills, they will take on a club officer role and develop programs and opportunities within that portfolio area and /or lead, or co-lead, at least one local service activity. This as well as providing support to ALP members in their first year.

Adventure in Story Stelling

This will be an enjoyable afternoon where we will learn from each other as well as from others who do this very well.

Come along if you have something to learn, something to share or a mix of the two!

It is all on Zoom, to ensure you can attend in the comfort of your own home and be 'covid-safe'. You are also welcome to get together with others and join in as a group. We will be finishing with a BYO sundowner.

This is the first of our Adventure series this year. We are very excited to get started! See you there!

RYPEN Cancellation for 2022

Dear Colin,

I hope this email finds you well.

Due to unforeseen issues related to the COVID-19 pandemic, we've had to make the difficult decision to cancel the RYPEN Camp for September 2022.

Unfortunately, we simply weren't able to get sufficient volunteer facilitators to run the camp in a safe, effective and fun way.

We look forward to running the next RYPEN camp in May 2023.

If you have any questions or would like further information, please don't hesitate to let me know.

Yours in Service,
Ian Ball

Its not hard work. Four hours on a Sunday morning, collecting money or using an EFTPOS machine for entry to the parking, or directing cars to parking areas.

President Bev has already accepted the challenge on our behalf

our commitment to diversity, equity, and inclusion

At Rotary, we understand that cultivating a diverse, equitable, and inclusive culture is essential to realizing our vision of a world where people unite and take action to create lasting change.

We value diversity and celebrate the contributions of people of all backgrounds, across age, ethnicity, race, color, disability, learning style, religion, faith, socioeconomic status, culture, marital status, languages spoken, sex, sexual orientation, and gender identity as well as differences in ideas, thoughts, values, and beliefs.

Recognizing that individuals from certain groups have historically experienced barriers to membership, participation, and leadership, we commit to advancing equity in all aspects of Rotary, including in our community partnerships, so that each person has the necessary access to resources, opportunities, networks, and support to thrive.

We believe that all people hold visible and invisible qualities that inherently make them unique, and we strive to create an inclusive culture where each person knows they are valued and belong.

In line with our value of integrity, we are committed to being honest and transparent about where we are in our DEI journey as an organization, and to continuing to learn and do better.
