## President's report for meeting 05 September 2022

We welcomed 19 people at our fun filled meeting on 5 th September, including guests Helen Carwardine (who has applied for membership), Phil Cordery visiting from Southern Districts Rotary, and AG Kenn Williams. Phil gave us a brief introduction and pointed out that there were several Raffle books with tickets for sale around the tables, funds raised are to support ROMAC initiatives. AG Kenn Williams gave an insightful talk on the Jennifer Jones Challenge, which is a District 9455 initiative, and continued on to discuss some of the changes taking place within our District and Zone.

The first was to explain that the major cause of the Redistricting in WA is based on maintaining a cost-effective organisation, and as of 01 July 2023 all of WA will become District 9423. He then spoke on the Regionalisation project of Zone 8, covering Australia, New Zealand and Pacific Islands. An email will be sent to all members on where to access further information on this. This is a Pilot Project to be run from 2023 to 2026, subject to a 67% YES vote at every stage from Club up to Region. The pilot project is to determine the way forward, and to trial and tweak the best way to do this. A major consideration for this project is to make Rotary less top heavy and reduce the cost structure. It is imperative that all members read the information on this and participate in the voting at club level on 12 September 2022. Joyce asked Kenn to draw the door prize, which was won by Martin Houchin, Martin had Kenn draw the name for the Joker: Gail McCulloch was the recipient of a bottle of wine, and to a great sigh of relief from the room, did not draw the Joker. The kitty is now over \$1400, and we are down to 8 cards! Nail biting stuff....

Colin entertained us with Happy Dollars, yours truly being the first offender, as I left my name badge at home!

The President's language challenge from last meeting proved to be just that. The question: "What is the Greek word for "Good Morning"?" The answer: Kalimera. This week we moved over to Japan, where the word for Hello, is "KONICHIWA". Remember this for next Monday. We are truly becoming International with our language snippets from around the globe. Let me know if you would like to put the challenge out there.

After thanking our guests for their attendance and contribution to the meeting, fellowship was enjoyed over tea, coffee, and some rather delicious biscuits. Thank you, Jim, for volunteering to bring our sweet treats for next week.

IMAGINE  
ROTARY

Our meeting on 12 September is a Club meeting, and I urge you to attend. Amongst other important updates, Colin will give a demonstration on updating your profile on Club Runner; we will be holding a vote on the Regionalisation project; and importantly: discussing and voting on our venue option post September. If you would like your voice and opinion to be heard and to count, please be there!

Yours in Rotary Bev

## **Aspiring Leaders Program (ALP) 2022-24**

Attadale Rotary is offering a two-year Aspiring Leaders Program (ALP) commencing in October 2022. The ALP offers participants the invaluable professional and personal experience of being a member of a highly respected community service organisation and the opportunity to further develop their leadership skills in the process.

Participants will be aspiring leaders who are:

- seeking to enhance their professional and personal skills
- looking to progress their career towards leadership /management positions
- willing to contribute and commit to active club involvement in community events

Participants will have access to one-on-one leadership coaching, mentoring with Rotarians who have a wealth of business experience, as well as opportunities to grow through engagement with the Attadale Rotary's service activities. Attadale Rotary will also support each participant to engage with the wider Rotary community.

Applicants aged 30 or more from a diverse range of work areas are encouraged to apply, and ideally will have several years of work experience.

### **HOW TO APPLY**

## **1. REGIONALISATION. All about Rotary CREATING TOMORROW.**

Chris W last week gave an overview on the RI Pilot Project of Regionalisation to cover Rotary Districts in Aust, NZ and the Pacific region, known as Zone 8.

He highlighted the critical problems facing our Rotary world today, and the absolute necessity of making better decisions for our future.

Our Zone 8 must approve participation in a 3 year pilot project to develop, test and evaluate a new regional approach to supporting and governing Rotary and Rotaract Clubs. This will commence from July, 2023.

However, this can only proceed IF a 2/3rd majority of Clubs and Districts support the process.

**A YES vote will allow this to progress... a NO vote will consign us, as I see it, to struggling for relevance in a changing world.**

Club Presidents will vote on behalf of their Club, but it is essential that Clubs get involved in the decision making.

We must cast our Club vote in the week commencing the 22nd of Sept, so if you have any questions, or comments, let Logan, Chris or I know.

## **2. Melville Cockburn Chamber of Commerce Business After Hours.**

As a Member of the MC CofC , we are hosting this at Heathcote on Wed, 28th of September and Erin Madeley, PMM, will join with us.

The theme is “the benefits for your business of working with Rotary”, and we will be showcasing AxR good deeds of giving back to our community.

The Good Grocer will also contribute, as a Club Sponsor, and provide the snack lines for the 50 or so who we hope will attend.

This will also be in lieu of our regular Sundowner, so please make a note and hold the date for this event.

Regular Sundowner times of 5.30-7pm.

Fellow Rotarians.

The following outlines the process for the Aspiring Leaders Program. I need two things from our members to make this successful.

1. Identify possible participants and provide their contact details to me after you have shared an outline of the program with them and they have shown interest
2. Nominate yourself for one or more of the following positions:
  - a. A buddy-mentor for the participants (staying in touch and escorting the ALP Member whilst they establish relationships within the club}
  - b. Program coordinator
  - c. Members willing to meet with the participants and share their business/professional background (easy role, not time consuming}
  - d. Members willing to do some pro bono 'coaching' /'Mentoring' with participants. Can be formal coaching or mentoring e.g., practical business experience advice

## Aspiring Leaders Program (ALP) 2022 – 2023

### PURPOSE

- to provide
  - Coaching & mentoring to those aspiring to future leadership positions.
  - personal development opportunities for aspiring leaders
  - network opportunities for aspiring leaders with other professionals
  - to bring at least two younger members into the RCA, for a period of two years.

### DESCRIPTION

The Rotary Club of Attadale (RCA) will offer a two-year Aspiring Leaders Program (ALP) for a second year commencing in October 2022. The ALP offers participants the invaluable professional and personal experience of being a member of highly respected community service organisation and developing leadership skills in the process.

Participants will have access to significant mentoring experiences, one-to-one professional coaching sessions and will gain a range of experiences, including co-leading a community service event. The Club will support each participant to attend and engage with the larger Rotary community.

The first year of the program will focus on the skill development of ALP participants, with them being recipients of pro bono coaching, mentoring, training and development, through club members.

In the second year, to further support participants with enhancing these skills, they will take on a club officer role and develop programs and opportunities within that portfolio area and /or lead, or co-lead, at least one local service activity. This as well as providing support to ALP members in their first year.

## RYPEN Cancellation for 2022

Dear Colin,

I hope this email finds you well.

Due to unforeseen issues related to the COVID-19 pandemic, we've had to make the difficult decision to cancel the RYPEN Camp for September 2022.

Unfortunately, we simply weren't able to get sufficient volunteer facilitators to run the camp in a safe, effective and fun way.

We look forward to running the next RYPEN camp in May 2023.

If you have any questions or would like further information, please don't hesitate to let me know.

Yours in Service,  
Ian Ball

Its not hard work. Four hours on a Sunday morning, collecting money or using an EFTPOS machine for entry to the parking, or directing cars to parking areas.

A project of Rotary District 9465

## Jennifer Jones Imagination Challenge

*A program of education for Rotary Clubs that embraces best practice models on membership growth and public image from around Australia and the World*

**Concept:** The sponsoring districts offer 5 places each on a program aimed at providing clubs with the skills and strategies to be relevant to their communities in the 21<sup>st</sup> century.

The project will include specific support and expertise for each of the participating clubs in accordance with their needs.

**Benefits:** Successful participating clubs will modernise, improve their public profile, and grow their membership.

**Terms:** This offer is open to clubs which are committed to modernising and improving value to members, and whose members have voted overwhelmingly to take part (75% or more in favour).

### Conditions:

1. Participate in the Club Citation program for 22-23, prioritising membership growth and club modernisation.
2. Participation in a Communities of Practice club development program and other training and development programs related to the project.
3. The club will, within 3 months of commencing the project:
  - a. update data on District website for all members to enable the club to monitor improvements in age, gender balance and other key metrics
  - b. update all club online presences to reflect a modern club profile.
4. The club will maintain one or more contemporary social media platforms.
5. The club will take action to reduce the cost of Rotary to members.
6. The club will take positive steps to making the club more relevant in their community
  - a. *by identifying local community issues and targeting programs to these*

### The measurable outcomes

1. Significant increase in membership
2. Significant reduction in average age
3. Significant improvement in demographic balance

President Bev has already accepted the challenge on our behalf

## **our commitment to diversity, equity, and inclusion**

At Rotary, we understand that cultivating a diverse, equitable, and inclusive culture is essential to realizing our vision of a world where people unite and take action to create lasting change.

We value diversity and celebrate the contributions of people of all backgrounds, across age, ethnicity, race, color, disability, learning style, religion, faith, socioeconomic status, culture, marital status, languages spoken, sex, sexual orientation, and gender identity as well as differences in ideas, thoughts, values, and beliefs.

Recognizing that individuals from certain groups have historically experienced barriers to membership, participation, and leadership, we commit to advancing equity in all aspects of Rotary, including in our community partnerships, so that each person has the necessary access to resources, opportunities, networks, and support to thrive.

We believe that all people hold visible and invisible qualities that inherently make them unique, and we strive to create an inclusive culture where each person knows they are valued and belong.

In line with our value of integrity, we are committed to being honest and transparent about where we are in our DEI journey as an organization, and to continuing to learn and do better.
