Volume 40 9 2022

This report is courtesy of Ian Pittaway as Bev is away. On a cold night outside, President Bev gave a warm welcome to everyone attending the Attadale Rotary meeting at the Royal Fremantle Golf Club. This included welcoming the guest speaker Dan Churach and his wife Karen, and to the Club's almost newest member Helen Carwardine. We were also greeted with "Guten Aben" as part of our language lessons in greeting people of other nations.

Bev also mentioned a Scam warning that had recently happened to one of our members that allegedly came from President Bev, requesting funds due to a mix up. Please, please, always confirm direct with that person with any request for funds.

Scammers are everywhere.

Kerry Parsons has a request for any old (but working) sewing machines for their school in the Philippines. Old lap tops plus any CPU's will also be handy.

Jim Calcei requested the filled Samaritan's Purse Shoe Boxes be returned to him by the end of this month.

Mal Bennett and Betty Bright both won a bottle of Piano Gully Wine, Mal for the door prize and Betty the lucky one to try to find the Joker amongst the few cards left. Not this time. Fortunately for everyone else it remains there for the next meeting.

Our guest speaker (and author) Dan Churach entertained everyone with his topic 'The Science of Writing'. He also explained his idea of teaching which resonated with all of us. 'Good teachers are also story tellers'. Dan also mentioned about being told at a local university that he wasn't there to teach university students, but to lecture to them!

Dan has written several books, and if interested, you can check out his website - www.churach.com

Thank you to Ian Pittaway for meeting summary and photos

1. REGIONALISATION. All about Rotary CREATING TOMORROW.

Chris W last week gave an overview on the RI Pilot Project of Regionalisation to cover Rotary Districts in Aust, NZ and the Pacific region, known as Zone 8.

He highlighted the critical problems facing our Rotary world today, and the absolute necessity of making better decisions for our future.

Our Zone 8 must approve participation in a 3 year pilot project to develop, test and evaluate a new regional approach to supporting and governing Rotary and Rotaract Clubs. This will commence from July, 2023.

However, this can only proceed IF a 2/3rd majority of Clubs and Districts support the process.

A YES vote will allow this to progress... a NO vote will consign us, as I see it, to struggling for relevance in a changing world.

Club Presidents will vote on behalf of their Club, but it is essential that Clubs get involved in the decision making.

We must cast our Club vote in the week commencing the 22nd of Sept, so if you have any questions, or comments, let Logan, Chris or I know.

2. Melville Cockburn Chamber of Commerce Business After Hours.

As a Member of the MC CofC , we are hosting this at Heathcote on Wed, 28th of September and Erin Madeley, PMM, will join with us.

The theme is “the benefits for your business of working with Rotary”, and we will be showcasing AxR good deeds of giving back to our community.

The Good Grocer will also contribute, as a Club Sponsor, and provide the snack lines for the 50 or so who we hope will attend.

This will also be in lieu of our regular Sundowner, so please make a note and hold the date for this event.

Regular Sundowner times of 5.30-7pm.

Fellow Rotarians.

The following outlines the process for the Aspiring Leaders Program. I need two things from our members to make this successful.

1. Identify possible participants and provide their contact details to me after you have shared an outline of the program with them and they have shown interest
2. Nominate yourself for one or more of the following positions:
 - a. A buddy-mentor for the participants (staying in touch and escorting the ALP Member whilst they establish relationships within the club}
 - b. Program coordinator
 - c. Members willing to meet with the participants and share their business/professional background (easy role, not time consuming}
 - d. Members willing to do some pro bono 'coaching' /'Mentoring' with participants. Can be formal coaching or mentoring e.g., practical business experience advice

Aspiring Leaders Program (ALP) 2022 – 2023

PURPOSE

to provide

- Coaching & mentoring to those aspiring to future leadership positions.
- personal development opportunities for aspiring leaders
- network opportunities for aspiring leaders with other professionals
- to bring at least two younger members into the RCA, for a period of two years.

DESCRIPTION

The Rotary Club of Attadale (RCA) will offer a two-year Aspiring Leaders Program (ALP) for a second year commencing in October 2022. The ALP offers participants the invaluable professional and personal experience of being a member of highly respected community service organisation and developing leadership skills in the process.

Participants will have access to significant mentoring experiences, one-to-one professional coaching sessions and will gain a range of experiences, including co-leading a community service event. The Club will support each participant to attend and engage with the larger Rotary community. The first year of the program will focus on the skill development of ALP participants, with them being recipients of pro bono coaching, mentoring, training and development, through club members.

In the second year, to further support participants with enhancing these skills, they will take on a club officer role and develop programs and opportunities within that portfolio area and /or lead, or co-lead, at least one local service activity. This as well as providing support to ALP members in their first year.

President Bev has already accepted the challenge on our behalf

At Rotary, we understand that cultivating a diverse, equitable, and inclusive culture is essential to realizing our vision of a world where people unite and take action to create lasting change.

We value diversity and celebrate the contributions of people of all backgrounds, across age, ethnicity, race, color, disability, learning style, religion, faith, socioeconomic status, culture, marital status, languages spoken, sex, sexual orientation, and gender identity as well as differences in ideas, thoughts, values, and beliefs.

Recognizing that individuals from certain groups have historically experienced barriers to membership, participation, and leadership, we commit to advancing equity in all aspects of Rotary, including in our community partnerships, so that each person has the necessary access to resources, opportunities, networks, and support to thrive.

We believe that all people hold visible and invisible qualities that inherently make them unique, and we strive to create an inclusive culture where each person knows they are valued and belong.

In line with our value of integrity, we are committed to being honest and transparent about where we are in our DEI journey as an organization, and to continuing to learn and do better.
