PRESIDENT'S MESSAGE

Thank you for the fantastic attendance on Monday night. We reached maximum seating capacity and had a guest speaker who could have packed us to the rafters.

It's fast approaching — the Club's year-end (31 May 2021) and Heather will be forwarding the annual club dues for next 12 months ending 31 May 2022. I cannot believe another year has flown by.

The renomination for board position has closed and I will give you the update this coming Monday, 31 May 2021.

Don't forget Sunday, 30 May 2021, is the Metro District Assembly to be held at North Lake Senior Campus in Kardinya. For insurance purposes you must register if you have not already done so.

I thought the venue at The Dome was OK. Certainly the room was well away from

café so we did not disturb other guests. It has its pros and cons that I believe almost even out to 50/50. Hopefully I will get some feedback over the next week or so.

As previously announced, the Change Over Night will be Monday, 28 June, at the Royal Fremantle Golf Club, more details to follow in the following weeks,

That's the formalities over with, now what about our guest speaker Dr. Cheryl Kickett-Tucker. What a live wire and thank you, Yvonne, for arranging her schedule for us. At the end of the meeting Cheryl did mention a visit to various parts of Midland to include a smoking ceremony, etc. if we have an interest.

This week's message is quite short, but I look forward to catching up with most of you at Limones at the regular time of 6.00 for 6.30.

Yours in Rotary
Neil

THREE NEW FELLOWSHIPS

Rotary International is excited to announce the chartering of three new Rotary International Fellowships. Currently Rotary International recognizes over 90 active Rotary Fellowships. A Rotary fellowship is a group of individuals who globally unite around a common interest, vocation, or recreational activity with the primary purpose to network and further friendship. Membership in a fellowship is open to any interested individual.

The newly approved fellowships are for [Graphic Designers](#), [Hunting](#), and [Wildlifers for Conservation](#).

the 38th
meeting to order

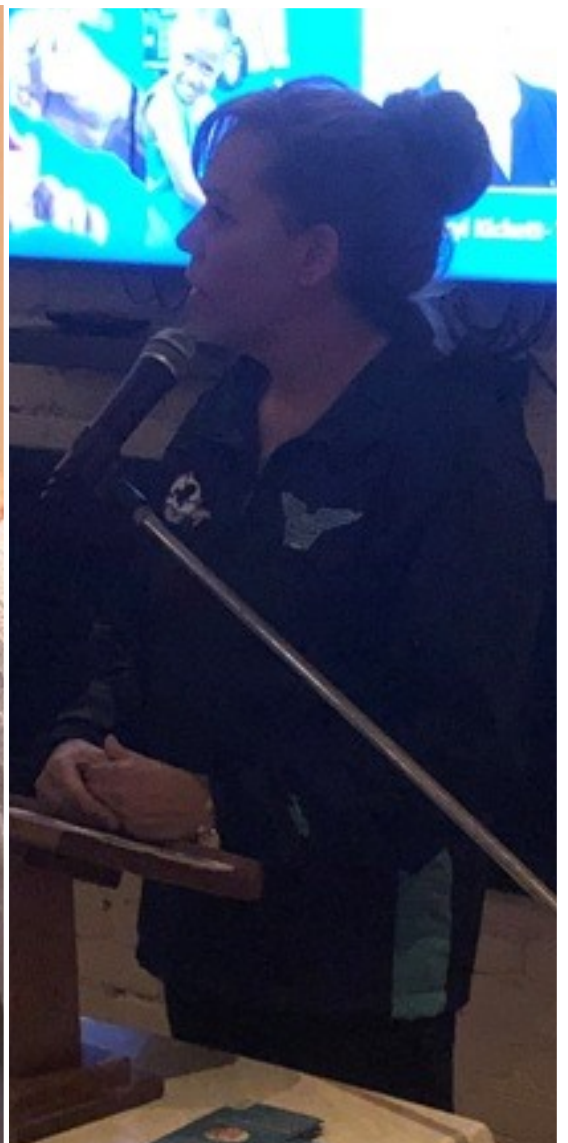

Happy Birthday Heather!

Thank you, Yvonne, for organizing Cheryl's schedule.

Our energetic guest speaker Professor Cheryl Kickett-Tucker mentioned a visit to various parts of Midland if we're interested.

We are creating **HOPE OPPORTUNITIES A FUTURE HEALTHY LIFE** each individual deserves

ANNOUNCEMENTS

★ THANK YOU

Heather extends her thanks to RC Attadale members who donated coffee, tea, etc., to Curtin Radio. All donations (two boxes) were delivered to Curtin Radio on 25th May

★ FAMILY OF ROTARY

Nancy Day has confirmed that Ron will be having his back operation on June 1st at St John of God Hospital Wembley. He will be in hospital for a minimum of 5 days, not able to drive for a few weeks and will take about three months to fully recover. We send Ron our Best Wishes for a successful operation and we will be thinking of you, too, Nancy during Ron's recovery time.

Our good wishes also go out to Anne and Trish who are both wearing slings as they recover from shoulder problems, and Shelley and Viv both getting over recent hip replacements.

HIGHLIGHTS OF RI BOARD MEETING DECISIONS

March & April 2021

Administration

- upon receiving the resignation of Director Kyun Kim, and, following the nomination by President Knaack, elected Past Governor Chang-Gon Yim to fill Director Kim's unexpired term as Rotary International director;*
- recommended that future RI presidents consider authorizing committees to meet virtually rather than in-person when possible;
- recognizing that younger Rotarians can best make an impact at the committee level where policy recommendations are discussed and generated, established a three-year pilot project beginning 1 July 2021 to engage and cultivate young leaders and help inform the Board of the thoughts and perceptions of younger members, whereby the president annually appoints an adviser (giving special consideration to younger past governors and Rotaractors) to up to three select committees.

The Board

- agreed that in light of the ongoing global COVID-19 pandemic districts may not conduct long-term or short-term Rotary Youth Exchanges until 1 July 2022, and then only provided that the participating district:
 1. confirms understanding of Rotary's Youth Exchange program certification requirements;
 2. agrees to administer the program in accordance with these requirements;
 3. follows additional safety measures before administering any exchanges, as determined by the Board;*
- approved a three-year renewal of Rotary's service partnership with the Peace Corps;
- encouraged district Rotaract chairs and district membership chairs to develop strategies that encourage current and former Rotaractors to join an existing Rotary club or help form a new Rotary club in the future;
- agreed to implement enhancements to the district conference president's representative program, including enhancing minimum representative requirements, increasing representative training, improving program evaluation methods, and incorporating regular program reviews.

The Board

- adopted a new membership development recognition program called *Membership Society* with an initial component to recognize those members with the highest number of sponsored new members (as recorded in Rotary's database);
- took several steps toward developing a strategy for increasing the number of women in Rotary and women in leadership positions, including creation of a cross-functional working group, with representation from the Membership Committee, Communications Committee, and Diversity, Equity and Inclusion Task Force to further develop the strategy.
