The Attadale *View*

FROM THE PRESIDENT

John Sharp
2021-22 President

Our guest speaker this week was Martin Loney speaking on Prison Chaplaincy. I must admit that, having no knowledge of the topic I was not expecting to be inspired. Rather as Chaplaincy, to me, has a Christian religious context and Rotary is non-denominational I was concerned. Instead I was put at ease by Martin who inspired us with stories of his experiences with a number of inmates and the benefit they gained by having someone who was willing to simply listen; a skill close to my heart as a professional coach. Martin is also an ex Rotarian so he was able to relate his story to our values which made them even more compelling.

Next week we will hold our Club Business meeting at Dome Mt Pleasant and among other topics we will review our progress in achieving our strategic priorities. Please do a little homework by reviewing these at

and coming informed with your view of our progress.

Have a good day
John

Containers for Change reminder and meeting photos by Heather McNaught

With the 'silly season' nearly upon us don't forget to collect all recyclable cans and bottles for the Containers for Change project. Every 10c adds up, and this is the perfect time of year to carry a spare bag with you when you go to a function and to collect those empties. Our Scheme ID Number is 10350509 - if you can't get to a recycling station bring your bag to the meeting and Heather will happily take it in for you.

The Rotary Club of Attadale recently held a very successful movie and meal fundraising event, which raised \$1347.00.

The raffle portion of this was \$653.00, which shows how generous our Club is, with lovely people who pay money to win back what they donated.

A very big thank you to Shelley for organizing the event and her team of Rod, Abby, Heather, Martin, and Gail.

Abby did a great job presenting all the donations to make 13 fabulous raffle prizes.

Many of those attending, enjoyed a meal at the Sala Thai Restaurant afterwards.

Thank you to everyone who supported this event and helped make it so enjoyable and such a success.

On Saturday 27 November the Applecross Rotary Club held their annual major fundraising event, the Jacaranda Festival, in the heart of the Applecross Village.

It is a huge event to organise, with some 150 stalls and a fantastic line-up of entertainment, for a family-friendly day of fun.

Each year the **Rotary Club of Attadale** help out by manning one of the entries. A big thank you to Colin, Jim, Ian, Martin, Jeff, John, Gillian, Selwyn, Rod, Abby, Mick and Gail for volunteering to man an entrance for the day.

A donation entry is encouraged and people can place money in the Rotary spinner or make a credit card donation. Our new EFTPos machine was used and took \$620.20.

Congratulations to the **Rotary Club of Applecross** on all their hard work resulting in a very successful festival.

Honorary member Bob and the indefatigable team Gail-Colin

We finished our fund-raising for the year with a sausage sizzle at Bunnings last Saturday. Many thanks to all those who assisted especially as it was a hot day so fairly hard work. Special thanks go to Trish Sharp and Elaine Bennett for volunteering along with their husbands, to the ever-helpful honorary member Bob Rodgers and to Neil McKay, Selwyn Castles, Gail and Colin McCulloch who all did double shifts to cover some apologies.

We sold 834 sausage sizzles and about 300 drinks and made a profit of \$1,493.55 that included very generous donations of \$108.

PORTCARE - CALL FOR DONATIONS

Following the inspirational presentation from Ervina of Portcare last Wednesday, the Rotary Club of Attadale has been asked for assistance with donations of the following items. If you can assist in anyway it'll help Portcare continue their fantastic work. Items requested include;

- Men's summer clothing – especially business shirts for men wanting to attend job interviews
- Christmas decorations and trees for those who would otherwise not be able to afford to deck out their houses
- Items for Christmas Gift Hampers – Ervina and her team have identified local families who'll be doing it tough over Christmas and the following would be greatly appreciated;
 - Couple with no kids – pair of movies tickets; restaurant voucher
 - Single mum with 4 kids – Toyworld, Adventure World pass or Zoo tickets, or Officeworks (for back to school supplies) vouchers, fuel voucher
 - Elderly lady on pension – Kmart voucher, movie or restaurant voucher

*If you're able to help with any of these Gift Hamper items please let Shelley know so that we don't have 'double-ups' – many thanks – Shelley

ROTARY DISTRICT 9465 ROCKINGHAM CONFERENCE

BY IAN PITTAWAY

Our District Conference is on March 25-27, 2022 and promises to be a good time to gather with other Rotarians.

President John has asked me to be *Attadale's on to Conference Chair*, to help keep members informed and updated about it.

I spoke briefly about it at the last meeting, but as there weren't a lot of members present, I am taking this chance to let you know what an opportunity you will miss if you don't go.

It is always great to meet other Rotarians, hear what other clubs are doing, tell them what we are doing and learn more about our District.

I always enjoy Conference as it reminds me that we are a small part of a very active district and what is happening never ceases to amaze me; it is also a great way of recharging your interest in Rotary.

I am told there will be great speakers and a variety of them as well.

This will be one of the best priced conferences for a long time.

If you pay before December 31st, it is \$250 each for the full conference including the DG's Gala Dinner. After 31st December the cost is \$280.

Those who can't go do miss out on having great contact with other like-minded people and have a lot of fun at the same time.

Jacquie and I will be there and hope we can keep the club tradition of having a lot of members attend. ❖
