## Announcements

### Lift the Lid on Mental Health.

Thank you to everyone who wore a special hat.

A big thank you to **Heather McNaught** who brought extra hats for those people who did not bring one and wanted to take part. If they chose to, they could donate \$2 for using one of her hats.

Each year approximately 1-in-5 Australians will experience a mental illness and in order to help future generations of young Australians we need to look ahead, through research, and find out how we can prevent this type of illness occurring.

Everyone voted for the most eye-catching hat and **Heather McNaught** was a clear winner. She received a bottle of wine.

### What a creative effort

### **Auction of Restaurant Vouchers**

Thank you to those people who put in a bid for the vouchers.

Congratulations to Rod Rate for his bid of \$175 for the State Buildings voucher and to Kerry Parsons for his bid of \$100 for the Sala Thai Restaurant.

The money will go to the Rotary Charity Golf Day Beneficiaries.

### **Board Report from October Meeting**

#### **Promotional Flyers for Rotary and in particular the Rotary Club of Attadale**

Giovanna's design for a rack card has been approved by the Board and almost ready for Colin to arrange printing at the office of Ben Morton MP.

#### **Summer recess**

Our welcome back BBQ will be on January 20. Details will be in the calendar

**Abby and Kerry Parsons** have offered to have an Australia Day Sundowner at their home on Sunday 26 January.

#### **The Record of Leave Book**

This is working well, however, if there is no record of an apology, the treasurer will send out an invoice.

#### **The proposed Shelter Box Ball**

This will now be named the Rotary Shelter Box Gala Dinner.

We are seeking sponsors for this event, so if anyone has any ideas please see Bev.

#### **The Head Phones for Dementia Project**

The idea is still being investigated, as there are many issues to consider.

#### **Attendance Messaging System**

**Martin** is investigating this idea.

#### **Membership**

**Jeff, Colin** and **Gail** have been looking at the process and have made significant positive changes.

#### **The Green Batch Education Project**

This is being further investigated as we don't have enough information to make an informed decision.

#### **Sponsorship Policy**

Colin and Rod attended a workshop and shared their experience with the Board.

#### **The Hon Ben Morton MP**

**Ben** is very pleased to invite The Rotary Club of Attadale members to join him and fellow service club members for his annual Service Club Sundowner.

It will be held at his electorate office at 6 Aveley Street, Willetton on Thursday, 14 November 2019 from 3pm to 5pm

Afternoon tea and refreshments will all be provided!

If you would like to come please let **Gail** know.

## Rotaract Barbecue

**Gillian, Colin and Gail** attended the Meet and Greet BBQ and Rotaract Information Session on Sunday 13 October from 4 PM to 6PM at the Karoonda Reserve Hall in Booragoon.

It was an opportunity to learn more about Rotaract, and to show our support for forming a new Rotaract Club.

**Samantha Fewster** a member of the South Perth Rotaract Club spoke to the meeting, giving a very good idea of how you can gain so much from joining Rotaract.

## Bricktober

The Rotary Club of Ascot held their annual Bricktober last weekend. **Gail** took three of her grandsons and met up with **Bev Moffat**, who was there helping, by handing out information about ShelterBox.

Poor Bev was not feeling well, so we hope she has a speedy recovery.

## Guest Speakers ~ Erik and Kerry Anderson 'Mercy Ships

We were delighted to welcome Erik, his wife Kerry and daughter Jessica Anderson to our meeting and hear their amazing story.

***Erik, Kerry and Jessica Anderson***

**Erik** had worked on the Africa Mercy ship a number of times, when the whole family were inspired to go together.

At any given time during its nearly 40-year history, Mercy Ships has had between 1 and 3 ships in service. Currently, the *Africa Mercy* is the only Mercy Ship in service, but it represents greater capacity than all prior hospital ships combined

It is the largest non-governmental hospital ship in the world

The hospital includes five operating theatres, recovery, intensive care, and low dependency wards.

***Africa Mercy***

Erik is an anaesthetist working at the Perth Children's Hospital. As there is a massive shortage of anaesthetic practitioners in Guinea, **Erik** was asked to join the team to help with training to improve morbidity/mortality during operations in Guinea, as well as working as an anaesthetist in the Mercy Ship's operating theatres

**Kerry** is a dietician and was invited to come and use her skills in the areas where paediatric or adult patients needed to improve their nutritional status.

Kerry shared with us stories and pictures of the mal nourished babies who required cleft palate surgery.

*Kerry with one of the babies and his mother*

They were excited to have this adventure as a family and join the ship to bring hope and healing in a world of suffering, shame and hopelessness as a result of surgically correctable diseases.

The family lived aboard, in a cabin which measured eight by six metres. While her parents were at work, Jessica attended school on board. Her classmates were the children of other crew members from all over the globe.

*Erik in one of the operating theatres aboard the Mercy Ship*

The mission of Mercy Ships is to make access to safe and affordable surgery, a reality for those in extreme poverty, and to help train medical professionals to continue the work after the ship departs.

Each year around 1 000 volunteers from up to 49 nations serve with the Mercy Ships. Professionals like surgeons, dentists, nurses, healthcare trainers, teachers, cooks, seamen, engineers donate their time and skills to the effort.

We were all in awe of the commitment this family have to improve the lives of others and to hear about this wonderful organisation that relies on volunteers and donations to operate.

## **Love in a Shoe Box**

Thank you to **Jim** for organising this project and to all the members who took part.

There are some people who have not yet returned the boxes. Can they please contact **Jim** to make arrangements for their collection?

## **Winners**

The winner of the Door Prize was **Winston**.

**Ian** was the winner of the Raffle, but not the Joker.

## Reports

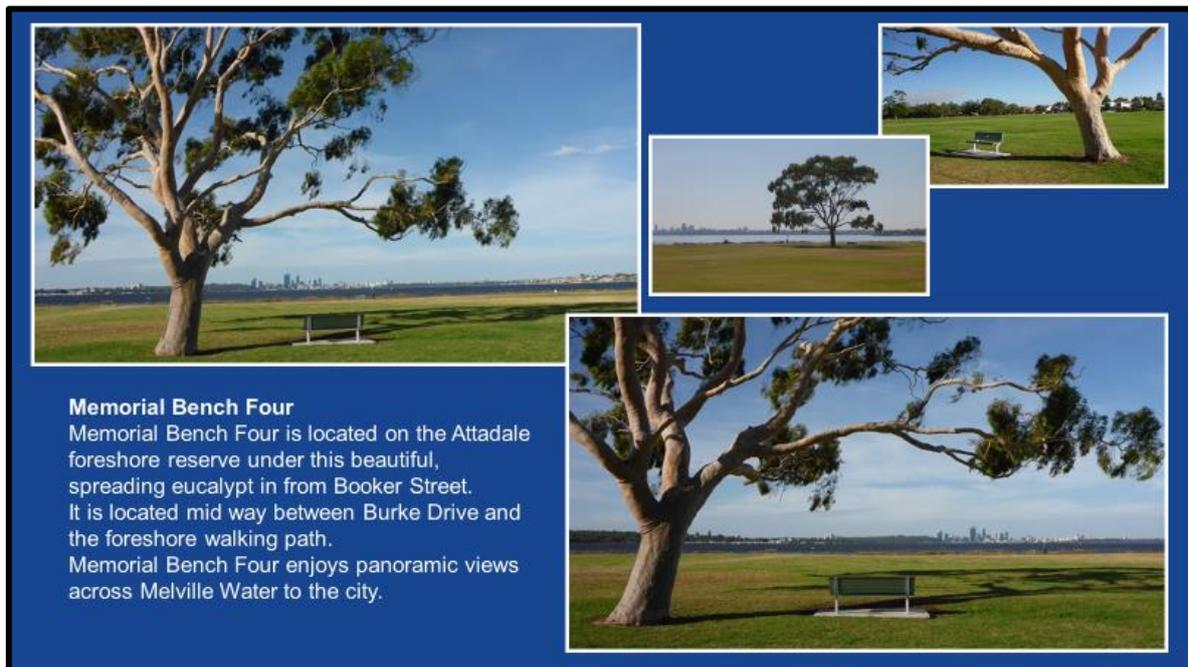

**Colin** introduced **Yasmine Riddler** and **Joshua Rigby** to the meeting.

**Yasmine** spoke about her brother, **Phillip**, who passed away in 2017. Phillip and his Mum would often take their dog down to the Attadale foreshore and sit on a particular bench. After Phillip passed away his Mum found great comfort in walking the dog and sitting on 'their' bench. Yasmine thought it would be really special for her Mum and family if a plaque for Phillip could be placed on the bench and contacted the Rotary Club of Attadale through our website. Yasmine then worked with Colin to make her wish become reality and the Riddler family now have a special place to remember Phillip forever.

Yasmine is studying to become a nurse and after her exams will be off to Laos to do voluntary work. She is a very caring person and one day will make a great Rotarian.

*Loving words to remember Phillip.*

If you know of anyone who would like a Memorial Plaque to be placed on a bench along the Attadale foreshore, please get them to contact **Colin**.

**Ian** shared with the members that **Bob Rodgers'** sister had passed away. The Family of Rotary send Bob, Delys and family our love and sincere sympathy.

**Ian** also shared with us the news that **Assistant Governor Lesley Coombes** was very unwell after surgery.

She is expected to make a full recovery, but it will take some time.

We all send Lesley our best wishes.

**Mal Bennett** spoke about the **Quiz Night on Friday October 25**.

He would like members to invite family and friends to form tables of eight to ten and come along for a great night.

Can members please let **Mal** know how many people you have invited and also if you can donate items suitable for raffles and a silent auction.

See all the details in the poster below.
