- Colin prepared a slide show on Helen Carwardine's recent ShelterBox Fundraiser, for everyone to enjoy during dinner.

Announcements

- Gail was delighted to welcome to the meeting, our guest speaker, Michael Penhaligon, a Special Needs Teacher, and Coordinator of the Southern Lions Rugby Union, and special guest June Wade.
- On behalf of the members and partners, Gail extended our sincere sympathy to Ian, Jacque and family on the loss of Ian's sister Leeola. They have had a particularly sad time with the passing of others near and dear to them.
- Mick and George were presented with cakes while members sang Happy Birthday to them both.
- Selwyn has planned for members and partners – a social dinner at Numero Uno, to be held on Wednesday 26 July. As he is going away, Gail will handle the event,
- A visit to Food Bank at the end of August.
- A social dinner at the Curtin University Training Restaurant "The Pines", at the end of October.

Guest Speakers

Michael Penhaligon a Special Needs Teacher for over 50 years, working in all aspects of the disability sector, and Coordinator of the Southern Lions Rugby Union All Abilities Rugby Team, gave an inspirational talk.

The stories, pictures, and videos of the Southern Lions Rugby Union All Abilities Rugby Team showed what a huge and positive difference Michael is making to the lives of those involved.

What a lucky night for Ian, he won both the Door Prize and Joker Raffle but not the Joker card from the pack, so the prize money jackpots for next week.

CSR GRANTS

In April 2023, the Trustees of The Rotary Foundation approved a new kind of grant for deployment in Australia and Brazil—Corporate Social Responsibility Grants, or **CSR Grants**.

CSR Grants provide a straightforward way for corporations to engage with Rotary in the delivery of mutually agreed outcomes.

For example, if a corporation has a focus on making a difference in the education of children in indigenous communities, chances are there's a Rotary club that will have very similar aspirations—along with the 'feet on the ground' to bring the project to life.

In other cases, an Australian Rotary club may, as an example, be looking for funding for a project that will deliver outstanding outcomes in the growth of small businesses in a country where the corporation is doing business. Rotary's network of over 35,000 clubs, in almost every country in the world, can help make this possible. [Read more >>>](#)

A new way to fund your large projects

CSR Grants

The Rotary Foundation has just introduced a new type of grant in Australia: Corporate Social Responsibility Grants—**CSR Grants**.

CSR Grants provide an easy way for corporations to work with Rotary to fund large projects being delivered by clubs and districts. While the size of a CSR Grant is similar to a Global Grant, the approval process is much simpler.

The program is being run by The Rotary Foundation's local arm, [Rotary Foundation Australia](#), with approvals being handled by RI's office in Sydney.
