PRESIDENT'S MESSAGE

Llew Withers

This week, we feature Rotary Walk on April 13 as a Rotary Western Australia project that Attadale Rotarians may wish to participate in.

(Below is an extract of the email campaign received from District 9423 -Ed.)

“These walks are held not only to promote Rotary - active in WA, but also to showcase the extent of Mental Health challenges in the community. They also demonstrate that Rotary - through ARH - cares. Plus, we are actively doing many things to help people who so desperately need our support.

The walk, through Maylands, has two optional routes and these are clearly shown on the website when people book. The \$30 registration fee includes a cap for walkers. We have taken the shirt option off the site - as we feel many Rotary members will want to wear their club shirts. Some shirts will be available for members of the public should they want to buy one.

I urge you to please emphasise the walk when you contact your clubs about the whole Rotary Action Day program. It would be wonderful to see hundreds of Rotary members, partners and members of the community out there - uniting to support better Mental Health for ALL Australians. Please encourage your clubs to consider entering a team, for example, I know that several Boulder Rotary members are coming to join in.

March 20 Guest Speaker

**JOHN
KEVAN**

John Kevan was born in Perth, and grew up in many country towns as his father was a Bank Manager. The family also lived in Adelaide and on Kangaroo Island before moving back to WA, Geraldton and Perth.

He has degrees in Mechanical Engineering, Population and World Resources, Environmental Science and a Master of Business Administration.

He is a past Fellow of two professional associations. John was an Officer in the Australian Army Reserve, serving in Australia and the UK.

In his professional career John travelled extensively, working in South Africa, UK and the USA. He particularly enjoyed large industrial projects, and in 1990, formed Naveko Project Implementation, managing the design through to commissioning of many iron ore, gas and timber projects.

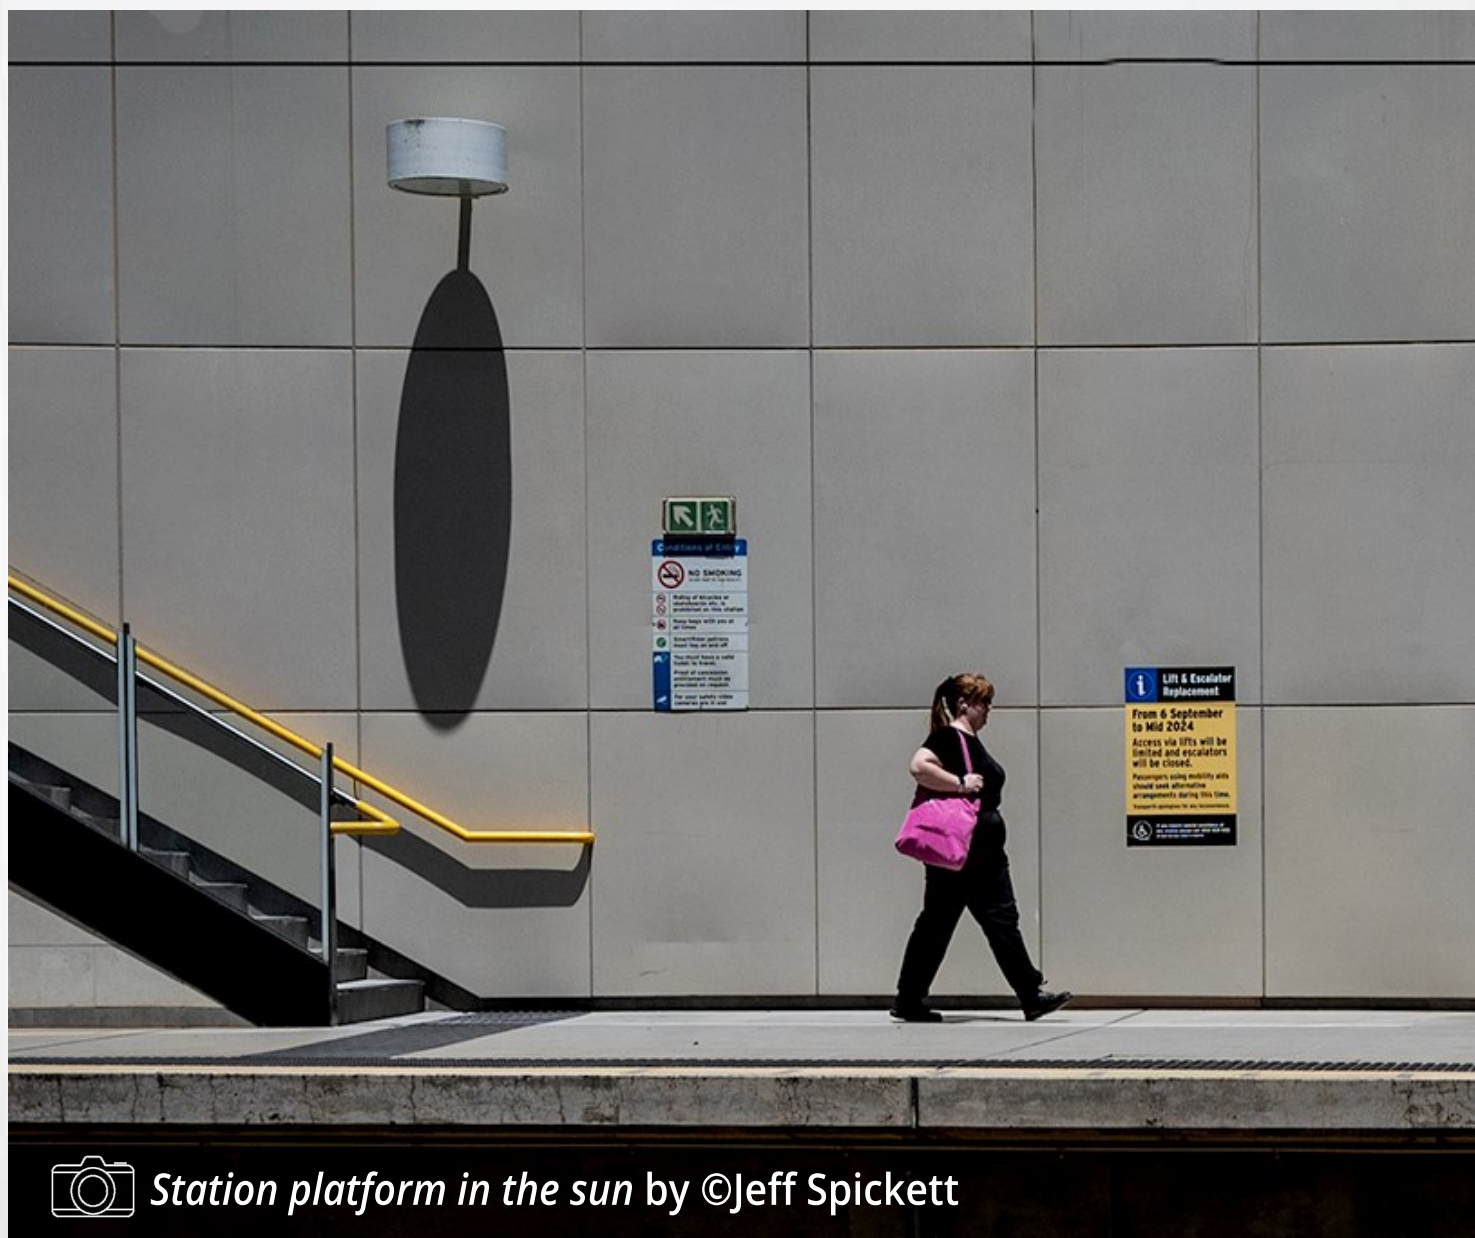

John has written three historical fiction novels that cover a wide range of personal interest, with many life experiences and travels used for plot locations. He is a Past President of the Scribblers Mandurah-Murray Writers Group.

John is a Past District Governor of Rotary International. He was a member of the Rotary Foundation's Technical Cadre for 12 years, and on the Board of Rotary Down Under for six years, the last part as chairman.

John enjoys playing, collecting and building musical instruments, woodworking, reading and writing. He and Melodie live in Mandurah, where they enjoy boating on the Peel Estuary. They have three sons and six grandchildren.

They have enjoyed participating in community service for over four decades, coordinating humanitarian projects, locally and around the world.

John will be speaking about The Water Connection and Malaria Prevention Project Stage 2 in Sumba, Indonesia.

Guest speaker Becca Osborn WA Marketing and Brand Manager of the Royal Life Saving Society, gave us all a very informative talk about the work the Society are doing to improve the results of unnecessary drownings in WA.

In conjunction with the other States of Australia new initiatives have been introduced around awareness and prevention .

The efforts of the Royal Life Saving is to reach their goal of transforming Australia into 'A water loving nation free from drowning'

CONGRATS

By Rod Rate

The 13th annual Charity Golf day (CGD) was held on Friday the 8th March and from all reports, was an outstanding success. 32 teams of four players took part and in addition of the Major Sponsor there were 4 co-sponsors, Ray White Real Estate, Cash Converters, Rallou Pty Ltd and C Wise. A \$10,000 hole in one prize was sponsored by Loan Market Golden Finance. The Organising Committee was a combination of Attadale and Fremantle Rotary Club members and representatives of the beneficiaries of the event, Care Cure Support (MND charity) and the Spinnaker Health Research Foundation (SHRF).

Some members of Rotary clubs contribute more than others to the activities and projects of their club but it would be hard, if not impossible, to find any who do more than Gail and Colin McCulloch do for the Rotary Club of Attadale (RCA). In the CGD, Gail was responsible for the Auction, Raffle and Prize portfolio which required the identification, collection, placement in the event program and disbursement of well over 100 items from as many donors. The quality of her organization associated with this was unbelievably professional and extremely significant. At the same time Colin was responsible for the identification, collection and distribution of drinks for the players and volunteers, all day. As if that wasn't enough, his experience with audio-visual production skills was put to the test with the A-V materials that were displayed in the clubhouse all day and which supported the presentation of a Live Auction and the prize winners program at the end of the event. A member of the Melville Rotary Club who witnessed the day and was a hole sponsor, James Morris, whose business JTMi Services includes professional IT consultants and support specialists, spoke highly after the presentation of the quality and enormity of Colin's productions. The RCA is greatly appreciative of Gail and Colin's contribution to the event and in fact to just about all other club projects.

But we also had the assistance of well over 10 members and Honorary members during the day. Some of these people are over 90 years of age and they spent most of the afternoon in what turned out to be cold and blowie conditions in the middle of RFGC. Thanks to Keith, Don and Bob and Gillian. To all the others, including the volunteers from Fremantle Rotary Club (FRC), we are extremely grateful for your support and diligence to the tasks you were invited to perform.

This event has now generated nearly \$510,000 for our beneficiaries. We should be proud of that achievement and who knows, it might be on again next year.

The event is a wonderful example of the collaboration that can be achieved amongst Rotary clubs with mutual benefit to all concerned. We thank our members Rod Rate (Organising Chairman) and Martin Houchin together with Kim Passmore and Max Coxall from the RCF for their commitment to the day and the Organising Committee. Keep your eyes open for the Charity Concert in August.

The RCA is grateful to the following donors and members are asked to consider them in their everyday family and business pursuits.

Clubs in Zone 8 have recently been allocated to [Rotary Community Groups \(RCGs\)](#), a new way for clubs to collaborate so they can achieve more than they could on their own. Now each RCG needs passionate Rotarians and Rotaractors to put themselves forward for the brand new role of Rotary Community Leader (RCL).
