

# The Attadale View

Volume 40 No 26 2023

Bev Moffat

## President's report.

On Monday we enjoyed the company of 14 members at our meeting. We were delighted to celebrate the birthdays of Llew Withers and Martin Houchin with a cupcake and song.

After our meal, Martin spoke to us on the Maker's Market parking requirements for Sunday 21<sup>st</sup> May, we have our regular shifts covered, any other offers would be welcomed. Llew Withers gave us an update on the collection of bottles and cans, and a reminder that anyone requiring the Barcode for having the funds for these credited to Attadale Rotary should reach out to either him or Colin.

Llew also covered the intention to have a hosted night by Peter Kenyon to ascertain the needs and wants of members, potential future projects and how we can align this to community needs and wants. Shelley Konig has either handed out or emailed the invoices for Member dues for 2023/24 year. Please make an effort to have these paid by 31 May, which is the end of our financial year - it makes for a much smoother transition. Shelley also covered some of the projects in the planning stage, such as a movie night and a Comedy evening amongst others. Colin McCulloch also covered the containers for change, and showed how easy it is to have the barcode in your Smartphone Wallet and is more than happy to share the know-how with anyone who would like to do this. Colin's request for members to advise their absence has worked really well, these are set up on a spreadsheet, making tracking absences and future meeting planning so much easier. Colin had the first 10 respondents' names in a hat, and drew a winner for a morning coffee and cake voucher, which was won by Winston Marsh.

Bev advised that a number of members have indicated their preference for the smaller magnetic name badge as opposed to the large white badges. Colin has investigated and these can be obtained at a cost of \$17.00 each. Anyone who would prefer the smaller badge should contact Bev. The incoming 2023/2024 Board will hold a combined meeting on Wednesday 14 June, discussion will centre around the budget, amongst other business. Our changeover Dinner is set for 26 June, details and menus to be provided within the next week or so. The tree planting project will be held at Point Walter in June, volunteers will be required. Details to follow. Bev also updated the meeting on the recent Zone meeting held by AG Kenn Williams. Volunteer Expo is being held at Melville Hawaiian Shopping Centre on 16 May from 9.30am to 1.30pm, the 4 local clubs will have a table. A second person was sought to assist Bev - Martin volunteered. Jennifer Jones Initiative is being progressed, we need stories and photos of past activities from the Club. A budget was submitted to the DG on Monday for this project. Regionalisation Pilot Programme will commence in July 2023, the proposal is for groups of 10 to 12 clubs with a common interest to work together. This format runs the risk of excluding smaller clubs, so needs to be considered carefully. The installation of Satellite Clubs is being encouraged, particularly in country areas.

A recommendation was put forward for each of the four clubs in our zone to host a combined club meeting once a quarter. Attadale will be hosting the combined meeting in September for DG Ineke Oliver, Applecross will host a Santa meeting in December, Melville will host a Paul Harris meeting in February and Booragoon will host a meeting in the 4<sup>th</sup> quarter, date and theme to be advised.

The door prize was drawn and won by Bev, thank you for the bottle of white. Winston drew Gail's name for the Joker, sadly the Joker remained shy this week, so a consolation prize of a bottle of red was accepted. Neil McKay set us all a very challenging Happy Dollars - perhaps it should have been a "Happy Quiz" instead – good fun for something different. Well done, Neil J. Thanks to Rod Rate for the delicious chocolate cake to enjoy with tea and coffee.

Neil McKay is our speaker at the next meeting on 15 May, he will be sharing insights into setting up a company.

Here are some pictures from the meeting on 3 May

Martin presented Gail with her Joker Raffle bottle of wine

Martin offered Gail the chance to select the Joker from the pack of cards. Much to everyone's relief she did not select the Joker, so the jackpot grows.

President Bev Moffat presented Llew and Martin with their birthday cupcake

Kerry presented President Bev Moffat with her Door Prize bottle of wine

The next meeting of the Club will be a Club meeting to be held on 15 May at the Royal Fremantle Golf Club at 6.00 for 6.30pm.

## **our commitment to diversity, equity, and inclusion**

At Rotary, we understand that cultivating a diverse, equitable, and inclusive culture is essential to realizing our vision of a world where people unite and take action to create lasting change.

We value diversity and celebrate the contributions of people of all backgrounds, across age, ethnicity, race, color, disability, learning style, religion, faith, socioeconomic status, culture, marital status, languages spoken, sex, sexual orientation, and gender identity as well as differences in ideas, thoughts, values, and beliefs.

Recognizing that individuals from certain groups have historically experienced barriers to membership, participation, and leadership, we commit to advancing equity in all aspects of Rotary, including in our community partnerships, so that each person has the necessary access to resources, opportunities, networks, and support to thrive.

We believe that all people hold visible and invisible qualities that inherently make them unique, and we strive to create an inclusive culture where each person knows they are valued and belong.

In line with our value of integrity, we are committed to being honest and transparent about where we are in our DEI journey as an organization, and to continuing to learn and do better.
