Volume 40 10 2022

In absence of Attadale Rotary President Bev Moffat, Vice President John Sharp ran a very entertaining meeting. Our guest speaker was Daniel Nottas, who works in Change Management and Communications at the RAC. With his five years of experience there he brought with him a variety of skills and knowledge, working within Home and Car Insurance, Sales, Roadside Assistance, Tyres, Auto Services and Home Security. Delivering presentations is not Daniel's day to day job, but he has taken the opportunity with RAC in the role of a Community Educator, which means he can head to different clubs and communities around Perth and the South West.

Daniel's topic was 'From Hooves to Highways - An interactive quiz on the history of RAC and WA. Daniel provided a great history of motoring in WA and tested our memories of past major events locally and internationally. A top effort.

Colin McCulloch provided a boisterous 'Happy Dollars' session and left no one untouched by his skills of procuring money from everyone. 'Hurricane' Ian Pittaway also got a special mention.

Gail McCulloch won the door prize, while Winston Marsh incredibly pulled the Joker out of the hat and won over \$1500. Think he will be "buying for the bar before too long".

We were all really pleased to hear that Helen Carwardine will be inducted into membership of Attadale Rotary on Monday October 17.

(Many thanks to Gail McCulloch for the photos and Ian Pittaway for the meeting details).

President Bev has already accepted the challenge on our behalf

our commitment to diversity, equity, and inclusion

At Rotary, we understand that cultivating a diverse, equitable, and inclusive culture is essential to realizing our vision of a world where people unite and take action to create lasting change.

We value diversity and celebrate the contributions of people of all backgrounds, across age, ethnicity, race, color, disability, learning style, religion, faith, socioeconomic status, culture, marital status, languages spoken, sex, sexual orientation, and gender identity as well as differences in ideas, thoughts, values, and beliefs.

Recognizing that individuals from certain groups have historically experienced barriers to membership, participation, and leadership, we commit to advancing equity in all aspects of Rotary, including in our community partnerships, so that each person has the necessary access to resources, opportunities, networks, and support to thrive.

We believe that all people hold visible and invisible qualities that inherently make them unique, and we strive to create an inclusive culture where each person knows they are valued and belong.

In line with our value of integrity, we are committed to being honest and transparent about where we are in our DEI journey as an organization, and to continuing to learn and do better.
