Bev Moffat
2022-23 President

President's report for meeting held on 17 October 2022

An action-packed agenda was enjoyed by 25 attendees at our meeting on 17 October, starting off with many wearing their "crazy hats" on arrival, in deference to "Lift the Lid on Mental Illness" week. This set the scene for a fun night, with many discussions taking place around the various hats. The Invocation was followed by us wishing Winston Marsh a Happy Birthday in the usual manner.

As we do not have a meeting on 24 October, which is World Polio Day, Colin McCulloch kindly put together a slide show of the achievements and aims of the End Polio Now campaign, to be viewed during

Our Guest Speakers from Meville Rotary, Phil Draber and Ed McKinnon, gave an interesting talk on the Melville Rotary programme which they hope will be embraced by all Rotary districts in Australia: "Australians Walking Together". It is estimated that 90% of all Australians have never read the Uluru Statement, which will be the basis for a future referendum on the Australian Constitution. The objective of the programme is to encourage Rotary Clubs to work on closing the gap with First Nations peoples across the country in a variety of ways. The presentation was informative and thought-provoking with the speakers emphasising that this project is about education, not politics. Many interesting questions were raised from the floor.

The highlight of the evening was the Induction of Helen Carwardine as the newest member of Rotary International and specifically, Attadale Rotary. Helen's sister and brother-in-law, Linley and Rowan Lambert, who were there to support Helen on her big night, were warmly welcomed. As her sponsor, I was delighted to give some background information on Helen, whom I have known in a professional and personal capacity for over 20 years. Gail McCulloch will be Helen's mentor. Welcome Helen!

Giovanna was the lucky Door Prize winner of a bottle of wine. Ian Pittaway won the Joker draw, but sadly not the Joker, but happily accepted a bottle of wine instead. Colin enjoyed extracting some Happy Dollars, particularly from Bev, who had enjoyed being a V8 Supercar Driver on the Sunday before the meeting.

Our President's Language challenge from last week was the Cambodian (Khmer) word for "Hello". The phonetic answer is "Suesday". This week's challenge stays in Asia, with the Thai word(s)

for Hello". There are two parts to the answer depending on whether the speaker is male or female: The male answer is Sahwahdee Khrap, the female answer is Sahwahdee Kah.

The meeting wrapped up with thanks to our guests for attending and also to Colin who brought delightful sweet treats to enjoy with coffee, tea and socialising after the meeting.

Our next meeting is on the 7th November, and promises to once again be a jam-packed evening! We will welcome our Guest Speaker, Michael Bresnahan from Impact100 Fremantle as well as our District Governor, Ric MacDonald and his lovely wife Ailsa. We look forward to enjoying all of your company on the night, partners and friends are encouraged and most welcome, as always.

Yours in Rotary
Bev

Impact100 Fremantle – Making an Impact on Fremantle

Bres (Michael Bresnahan) is the Chair of the Donor Committee for Impact100 Fremantle. The Impact100 model of community giving started in the USA 21 years and has been operating in Fremantle for 10 years. Other charitable organisations in which he has been active include: Samaritans (a suicide help-line); Big Brother Big Sister (“mentoring young people through friendship”). Bres is originally from Sydney though now calls Perth home. He lives in North Fremantle, is a member of the Royal Fremantle Golf Club and enjoys ocean swimming. Retirement has seen his love of science rekindled which resulted in him writing and performing his own show, *It’s About Time*, in the Perth Fringe Festival in 2020 and 2022. He aims to learn something every day.

Bres will talk about the history of the Impact100 model, how it operates and the impact it has had on Fremantle. He will also talk about Fremantle Foundation the overarching organisation that ‘manages’ Impact100 Fremantle.

RYPEN Cancellation for 2022

Dear Colin,

I hope this email finds you well.

Due to unforeseen issues related to the COVID-19 pandemic, we've had to make the difficult decision to cancel the RYPEN Camp for September 2022.

Unfortunately, we simply weren't able to get sufficient volunteer facilitators to run the camp in a safe, effective and fun way.

We look forward to running the next RYPEN camp in May 2023.

If you have any questions or would like further information, please don't hesitate to let me know.

Yours in Service,
Ian Ball

President Bev has already accepted the challenge on our behalf

our commitment to diversity, equity, and inclusion

At Rotary, we understand that cultivating a diverse, equitable, and inclusive culture is essential to realizing our vision of a world where people unite and take action to create lasting change.

We value diversity and celebrate the contributions of people of all backgrounds, across age, ethnicity, race, color, disability, learning style, religion, faith, socioeconomic status, culture, marital status, languages spoken, sex, sexual orientation, and gender identity as well as differences in ideas, thoughts, values, and beliefs.

Recognizing that individuals from certain groups have historically experienced barriers to membership, participation, and leadership, we commit to advancing equity in all aspects of Rotary, including in our community partnerships, so that each person has the necessary access to resources, opportunities, networks, and support to thrive.

We believe that all people hold visible and invisible qualities that inherently make them unique, and we strive to create an inclusive culture where each person knows they are valued and belong.

In line with our value of integrity, we are committed to being honest and transparent about where we are in our DEI journey as an organization, and to continuing to learn and do better.
