Bev Moffat
2022-23 President

President's report for 19 June.

We were delighted to share the company of 20 members at our penultimate meeting for the 2022/23 Rotary year on Monday night and to wish Betty Bright a Happy Birthday with our usual presentation of a cupcake and song.

Selwyn reported on the Tree Planting at Point Walter Board. Colin, Gail and Selwyn spent Monday morning drilling holes for the Santa Maria students to plant trees in on Monday afternoon. Further assistance from Club members will be provided later in the week.

Board Members reported on the recent Board meeting. Shelley thanked members for prompt payment of fees, with just one member's fees still outstanding. In my absence, Colin ran the Board meeting on the 14th of June, and reported on the meeting. Joyce is pursuing applicants for the NYSF and the Board agreed that any applications would be sponsored with a 50% contribution, up to \$1500.00 per applicant. Promotion of the programme will be promoted locally and by means of social media to encourage applications. Rod Rate is working on obtaining a sponsorship deal to replace the naming rights sponsor for the Charity Golf Day, the previous sponsorship was worth \$15,000.00, so this is an important quest. Selwyn has volunteered to arrange social functions for the new Rotary year. Shelley is still waiting on some information to finalise the Comedy for Charity account. It was also pointed out that Charitable Donations from RCANHFI are not reflected on the Club's accounts as they are forwarded directly to the Charities concerned. The levy of 5% on fund-raising activities is directed to the Club account to cover basic costs and overheads. Colin has been working on the Changeover dinner whilst I was unwell. Della Rawlins-Smith will not be attending club meetings for a while as she is still recovering from eye surgery; all support will be offered to Della. Shelley went through the proposed Budget for 23/24 with Board members. Subsequent to a query regarding Tyro Fees on American Express payments, it was determined that these are in fact less than those charged on Visa and Master Cards. Helen had confirmed to the Board that 102 bookings had been received for the Yum Cha Brunch. The Board approved payment from the funds received to pay for the catering at Sweet-Water and for the profits to be transferred to Helen's ShelterBox fundraising account. Colin will email members with the spreadsheet showing proposed meetings through to the end of December 2023.

Subsequent to the recent presentation of the Spinnaker Foundation's setting up of the Men's Health Foundation, I asked for members' interest in holding a fundraiser or other suggestions to support this.

Martin will follow up with Spinnaker Foundation to check on what support they would be interested in. A discussion was held around support we can offer Portcare and Foodbank who are both experiencing a high demand for assistance due to increased economic pressures on the community. Whatever we do, we need to be showing and promoting to the local community that we are actively involved in this support, and that is not just about handing over a cheque and to this end, it was decided that we would focus our assistance on Portcare who are located in our local area. What activities can we initiate that can be of use? Suggestions and recommendations from members should be forwarded to the Board for discussion at the meeting on the 5th of July. Selwyn will communicate with Foodbank about arranging a visit and assisting with packaging of hampers. I also advised members that we will use the Club meeting on 14 August to review our Club's Strategic Pillars and what members require from the club moving forward, to ensure that the club meet member's requirements and not vice versa.

The door prize was won by Mal and the Joker draw went to Martin, who had to be happy with a consolation prize of a bottle of wine and no Joker. Mick Donnes ran an entertaining Happy Dollars session and thanks went to Jeff Spickett for the Sweet treats to be shared after the meeting.

Our next meeting on 26 June is the Change Over dinner. I will be drawing up the meeting roster for the next 6 months and this will be sent to members in the next week.

Take care everyone, we look forward to your company on at our Change Over dinner.

Yours in Rotary

Bev

To the readers of the Bulletin

As this is my final Bulletin for the year I welcome Giovanna, as she will take on the role for the next Rotary year. I would like to say that it has been an enjoyable and worthwhile experience. I am better at using the software "Publisher" than I was a year ago when I had a very steep learning curve. The first edition had a very high digital footprint and so I had to quickly learn how to compress the pictures to make the final file into a suitable size for distribution.

I have included one of my photographs in each edition and Giovanna has asked me to continue this for next year's Bulletin. So you can expect to see more of these pictures.

President Bev has already accepted the challenge on our behalf

our commitment to diversity, equity, and inclusion

At Rotary, we understand that cultivating a diverse, equitable, and inclusive culture is essential to realizing our vision of a world where people unite and take action to create lasting change.

We value diversity and celebrate the contributions of people of all backgrounds, across age, ethnicity, race, color, disability, learning style, religion, faith, socioeconomic status, culture, marital status, languages spoken, sex, sexual orientation, and gender identity as well as differences in ideas, thoughts, values, and beliefs.

Recognizing that individuals from certain groups have historically experienced barriers to membership, participation, and leadership, we commit to advancing equity in all aspects of Rotary, including in our community partnerships, so that each person has the necessary access to resources, opportunities, networks, and support to thrive.

We believe that all people hold visible and invisible qualities that inherently make them unique, and we strive to create an inclusive culture where each person knows they are valued and belong.

In line with our value of integrity, we are committed to being honest and transparent about where we are in our DEI journey as an organization, and to continuing to learn and do better.
