President's report for meeting 12 September 2022

Despite a cold and blustery evening, 18 members, plus guest Helen Carwardine, attended Monday night's meeting. We started on a solemn note by acknowledging the sad passing of Queen Elizabeth II with a minute's silence.

spoke to the meeting asking members to let him know of any contacts they may have with any ethnic groups, with a view to inviting them along to future meetings. He also updated us on the Jennifer Jones challenge, which will be run as a cluster project with Booragoon, Applecross and Melville clubs. John also updated members on the status of the current applications to join the Aspiring Leaders Programme.

Colin McCulloch gave a demonstration of logging in and updating your personal details on the Club Runner and Rotary District sites. Please make sure your details are correct as soon as possible, this ensures you are accurately accounted for and that you receive any pertinent communications from Rotary at the various levels. Colin further requested volunteers to assist with setting up and packing away for meetings, including setting up the computer etc (training will be given!!)

Rod Rate updated us on the movie fundraiser, "Amsterdam", to be held at Luna on Essex on Sunday 9 October at 5pm. Please see later in the Bulletin for full details. Gail has requested donations for the raffle to be held on the day and has sent a separate mailing with details. Please follow up with Gail if you have queries.

Jim Calcei reminded everyone that Love in Shoebox donations are to be returned by the end of September, to ensure sufficient time for delivery prior to Christmas.

Bev invited members to participate in the Club vote with regard to support for the Regionalisation Project. Non-attending members have been sent an email requesting a response by 18<sup>th</sup> September, final decision will be advised at our meeting on 19<sup>th</sup> September. Selection of the venue was next on the agenda, and after some conversation the vote was taken, resulting in a decision to continue holding future meetings at The Royal Fremantle Golf Club.

Members were reminded of the option to support the Clem Renouf End Polio Now Club in Australia, by a voluntary contribution of \$10 per person per annum. After some discussion around this, it was decided to take this off the table, and a separate communication would be sent to members. Finally, we were delighted to announce that Kerry and Abby Parsons and Mal Bennett have very generously offered to host and cover the meal costs for

Christmas Dinner to be held at the Parsons' home again this year. The board has accepted this gracious offer and the date has been set for Wednesday 14<sup>th</sup> December.

Joyce asked me to draw the door prize, which was won by Llew Withers. Helen drew Winston's ticket for the Joker, but his luck ran out at that point, and it remains in the draw. With very few cards left and an increasing Jackpot, next Monday should be exciting!

The President's language challenge from last meeting was the Japanese word for Hello, correctly answered by Mick Donnes: "KONICHIWA". Mick added several other Japanese words as well, he may be called upon to provide the challenge!! Europe this week: the German for "Good Evening" is Guten Abend.....

Colin once again kept us on our toes with Happy Dollars, and of course the usual comments and banter ensued with plenty of laughs. Thank you, Jim, for the delicious date loaf to be enjoyed with tea and coffee. Gail McCulloch has volunteered to bring treats for next week. We look forward to welcoming Dan Churach as the guest speaker on 19<sup>th</sup> September, his talk is entitled "The Science of Storytelling" - it sounds intriguing! We look forward to your company. Yours in Rotary Bev

Our Speaker September 19

Dr Dan Churach – “The Science of Story-telling”

Dan Churach was born in Pottstown, Pennsylvania, and spent his early days pursuing his studies in Illinois, Rhode Island, and Hawaii.

Dan is a teacher through and through. Over his career, he’s taught school kids from year six through high school and lectured in education, chemistry and astronomy at several American universities. He later enrolled at Curtin University, where he completed his PhD. In the late 1990’s, Dan and his wife Karen emigrated to Australia. After two years in tropical Broome, they settled in Leeming.

Dan has retired to another career in creative writing, but his enthusiasm for the sciences and education strongly shape his love for writing. That passion manifests itself in stories firmly based on a foundation of scientific reality. He crafts his “technothrillers” to lead the reader on a voyage of critical thinking, constantly challenging them to solve the ‘who-done-it’ aspect of the story from the clues given.

Dan will talk about examples of stories communicating science throughout history, of how everyone will recall some story that helped in their understanding of a bit of technical knowledge first introduced in a school science book.

He will describe how his recent works reflect the social, political and scientific issues that shape our world, including applications of artificial intelligence in medicine, the impact of bioengineering on society or the accelerating deterioration of Earth’s climate.

Dan has published eight novels, all of which are available on Amazon.com.

## **Aspiring Leaders Program (ALP) 2022-24**

Attadale Rotary is offering a two-year Aspiring Leaders Program (ALP) commencing in October 2022. The ALP offers participants the invaluable professional and personal experience of being a member of a highly respected community service organisation and the opportunity to further develop their leadership skills in the process.

Participants will be aspiring leaders who are:

- seeking to enhance their professional and personal skills
- looking to progress their career towards leadership /management positions
- willing to contribute and commit to active club involvement in community events

Participants will have access to one-on-one leadership coaching, mentoring with Rotarians who have a wealth of business experience, as well as opportunities to grow through engagement with the Attadale Rotary's service activities. Attadale Rotary will also support each participant to engage with the wider Rotary community.

Applicants aged 30 or more from a diverse range of work areas are encouraged to apply, and ideally will have several years of work experience.

## 1. **REGIONALISATION. All about Rotary CREATING TOMORROW.**

Chris W last week gave an overview on the RI Pilot Project of Regionalisation to cover Rotary Districts in Aust, NZ and the Pacific region, known as Zone 8.

He highlighted the critical problems facing our Rotary world today, and the absolute necessity of making better decisions for our future.

Our Zone 8 must approve participation in a 3 year pilot project to develop, test and evaluate a new regional approach to supporting and governing Rotary and Rotaract Clubs. This will commence from July, 2023.

However, this can only proceed IF a 2/3rd majority of Clubs and Districts support the process.

**A YES vote will allow this to progress... a NO vote will consign us, as I see it, to struggling for relevance in a changing world.**

Club Presidents will vote on behalf of their Club, but it is essential that Clubs get involved in the decision making.

We must cast our Club vote in the week commencing the 22nd of Sept, so if you have any questions, or comments, let Logan, Chris or I know.

## 2. **Melville Cockburn Chamber of Commerce Business After Hours.**

As a Member of the MC CofC , we are hosting this at Heathcote on Wed, 28th of September and Erin Madeley, PMM, will join with us.

The theme is “the benefits for your business of working with Rotary”, and we will be showcasing AxR good deeds of giving back to our community.

The Good Grocer will also contribute, as a Club Sponsor, and provide the snack lines for the 50 or so who we hope will attend.

This will also be in lieu of our regular Sundowner, so please make a note and hold the date for this event.

Regular Sundowner times of 5.30-7pm.

Fellow Rotarians.

The following outlines the process for the Aspiring Leaders Program. I need two things from our members to make this successful.

1. Identify possible participants and provide their contact details to me after you have shared an outline of the program with them and they have shown interest
2. Nominate yourself for one or more of the following positions:
  - a. A buddy-mentor for the participants (staying in touch and escorting the ALP Member whilst they establish relationships within the club}
  - b. Program coordinator
  - c. Members willing to meet with the participants and share their business/professional background (easy role, not time consuming}
  - d. Members willing to do some pro bono 'coaching' /'Mentoring' with participants. Can be formal coaching or mentoring e.g., practical business experience advice

## Aspiring Leaders Program (ALP) 2022 – 2023

### PURPOSE

- to provide
  - Coaching & mentoring to those aspiring to future leadership positions.
  - personal development opportunities for aspiring leaders
  - network opportunities for aspiring leaders with other professionals
  - to bring at least two younger members into the RCA, for a period of two years.

### DESCRIPTION

The Rotary Club of Attadale (RCA) will offer a two-year Aspiring Leaders Program (ALP) for a second year commencing in October 2022. The ALP offers participants the invaluable professional and personal experience of being a member of highly respected community service organisation and developing leadership skills in the process.

Participants will have access to significant mentoring experiences, one-to-one professional coaching sessions and will gain a range of experiences, including co-leading a community service event. The Club will support each participant to attend and engage with the larger Rotary community.

The first year of the program will focus on the skill development of ALP participants, with them being recipients of pro bono coaching, mentoring, training and development, through club members.

In the second year, to further support participants with enhancing these skills, they will take on a club officer role and develop programs and opportunities within that portfolio area and /or lead, or co-lead, at least one local service activity. This as well as providing support to ALP members in their first year.

A project of Rotary District 9465

## Jennifer Jones Imagination Challenge

*A program of education for Rotary Clubs that embraces best practice models on membership growth and public image from around Australia and the World*

**Concept:** The sponsoring districts offer 5 places each on a program aimed at providing clubs with the skills and strategies to be relevant to their communities in the 21<sup>st</sup> century.

The project will include specific support and expertise for each of the participating clubs in accordance with their needs.

**Benefits:** Successful participating clubs will modernise, improve their public profile, and grow their membership.

**Terms:** This offer is open to clubs which are committed to modernising and improving value to members, and whose members have voted overwhelmingly to take part (75% or more in favour).

### Conditions:

1. Participate in the Club Citation program for 22-23, prioritising membership growth and club modernisation.
2. Participation in a Communities of Practice club development program and other training and development programs related to the project.
3. The club will, within 3 months of commencing the project:
  - a. update data on District website for all members to enable the club to monitor improvements in age, gender balance and other key metrics
  - b. update all club online presences to reflect a modern club profile.
4. The club will maintain one or more contemporary social media platforms.
5. The club will take action to reduce the cost of Rotary to members.
6. The club will take positive steps to making the club more relevant in their community
  - a. *by identifying local community issues and targeting programs to these*

### The measurable outcomes

1. Significant increase in membership
2. Significant reduction in average age
3. Significant improvement in demographic balance

President Bev has already accepted the challenge on our behalf

# our commitment to diversity, equity, and inclusion

At Rotary, we understand that cultivating a diverse, equitable, and inclusive culture is essential to realizing our vision of a world where people unite and take action to create lasting change.

We value diversity and celebrate the contributions of people of all backgrounds, across age, ethnicity, race, color, disability, learning style, religion, faith, socioeconomic status, culture, marital status, languages spoken, sex, sexual orientation, and gender identity as well as differences in ideas, thoughts, values, and beliefs.

Recognizing that individuals from certain groups have historically experienced barriers to membership, participation, and leadership, we commit to advancing equity in all aspects of Rotary, including in our community partnerships, so that each person has the necessary access to resources, opportunities, networks, and support to thrive.

We believe that all people hold visible and invisible qualities that inherently make them unique, and we strive to create an inclusive culture where each person knows they are valued and belong.

In line with our value of integrity, we are committed to being honest and transparent about where we are in our DEI journey as an organization, and to continuing to learn and do better.
