PRESIDENT'S MESSAGE

I saved on birthday cupcakes this week. As you know, attendance is required to be able to share one of goodies — meaning that Colin missed out and so did Paul Harris as neither of them attended. However, we did bring Ian's birthday cupcake forward as there is no meeting this coming Monday.

Our guest speaker Leza Howie, founder of The Military Art Programme, was enlightening, even more so when the programme has only been operating for about six years, has approximately 600 participants, only five volunteer staff and has been self-funded for all of that time. What an achievement and shows what can be done, with a small group of committed volunteers.

We cut our usual programme short this week, forgoing Happy Dollars but managing to squeeze in The Joker with John winning the ticket draw but not finding the Joker. Betty was the lucky door prize winner.

I called a general assembly that evening - hence the need to forgo the Happy Dollars - the reason being that over the weekend, I

received a letter of withdrawal from John as President Elect which was followed up shortly after by an email from Barb, withdrawing her offer of President Nominee. So, in a matter of hours the Club went from having all board positions filled, to not having Presidents for the next two years.

The purpose of the general assembly was to discuss how to fill the two positions without delving into the reasons but I was not too successful at that. However, we had views from the members but no real resolution surrounding a President for the upcoming Rotary Year.

Normal Rotary protocol would be that I stay on as President for next year, if a replacement President Elect is not found, which then leads us to the question of do we have a formal Changeover Night?

All suggestions, comments are most welcome and you can contact me either by email (nw.mckay@gmail.com) or two mobile numbers (0460 793 132 or 0421 977 617).

That's all for this week. Remember that Monday, 26 April, is a public holiday and our next meeting will be on 3 May.

I look forward to catching up with all then.

Yours in Rotary

Neil

Guest Speaker 3 May 2021

Jonine Collins, CEO
Hannah's House

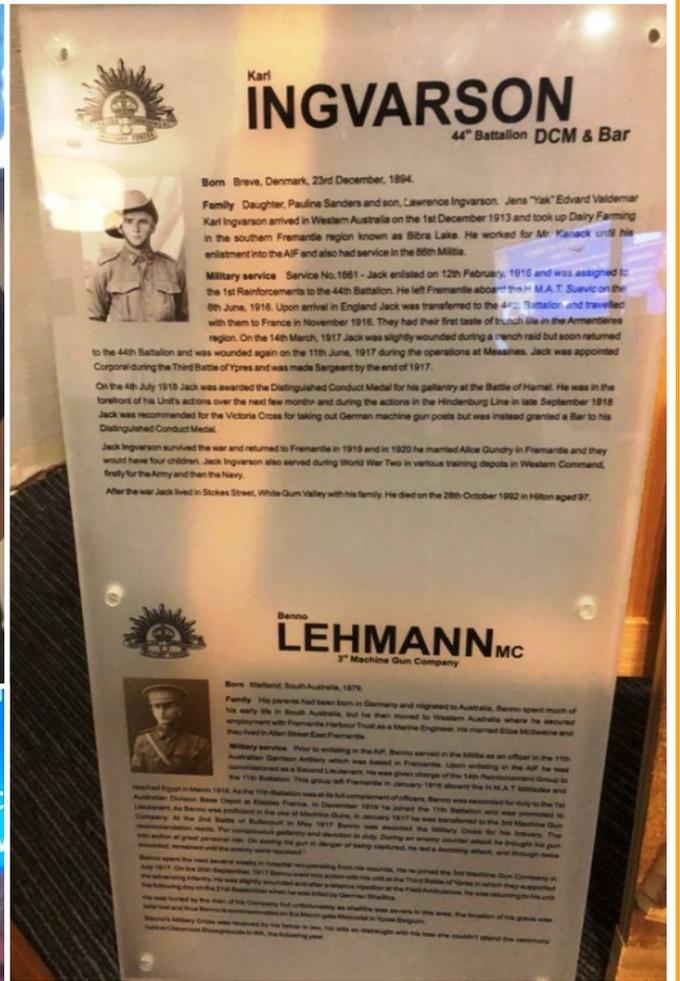

Jonine joined Hannah's House as the inaugural CEO in September 2020. She has held management and senior executive roles across the health and community sector, including seven years in her last role as State Manager WA and SA for the Stroke Foundation. She has overseen the implementation of many innovative community programs and clinical services, including mental health, suicide prevention, chronic disease, disability, aged care and services to the Aboriginal community, homeless and other marginalised populations.

Jonine says she has been inspired by the work that Hannah's House does to enhance the quality of life for children with life-limiting conditions and the much-needed support that it provides to their loved ones. *"It is clear that everyone involved is driven with passion for its purpose and committed to the delivery of high-quality services and care to its children and families."*

Family of Rotary

We send Best Wishes to Anne Lewkowski who will be having a full shoulder reconstruction on Wednesday, 29th April, at Bethesda Hospital in Claremont. She will be in a sling for about six weeks and up to 12 months to return to normal. Anne has a great surgeon who had previously operated on her right shoulder about 7 years ago so has great confidence in him.

Our good wishes also go to Viv Donnes for her continuing recovery from her recent hip replacement operation.

MAY IS YOUTH

SERVICE

MONTH

Youth Exchange Chair, and Governor nominee for 2020-2021

Youth Service Month is a special time in Rotary. Throughout the month of May, members of Rotary clubs, Rotaract, Interact, and those involved in Rotary Youth Leadership Awards and Rotary Youth Exchange celebrate the opportunities Rotary provides to connect, grow through service, develop leadership skills, mentor or be mentored, and have fun.
