PRESIDENT'S MESSAGE

I am making an effort not to leave this message until the eleventh hour, which is made easier as tonight we do not have any internet, so no work like distractions. It also means that I cannot see how many of you have indicated your attendance at our 24 May meeting, but fingers crossed, if you are reading this then it means the computer in the sky which controls our lives has decided to once more co-operate.

Monday night was a little bit different to normal with our guest speaker not being able to attend owing to ill health, but the good news is that time passed quickly with Bev and Jeff winning the door prize and the raffle ticket for the Joker respectively, but Jeff did not manage to go the whole way and draw the Joker.

Thanks to Jim and Jenny for providing the scrumptious cannoli although one of the downsides of being President is that the night's events take precedence and I missed out on seconds. The waistline did not complain though.

(Continued on page 2)

(Continued from page 1)

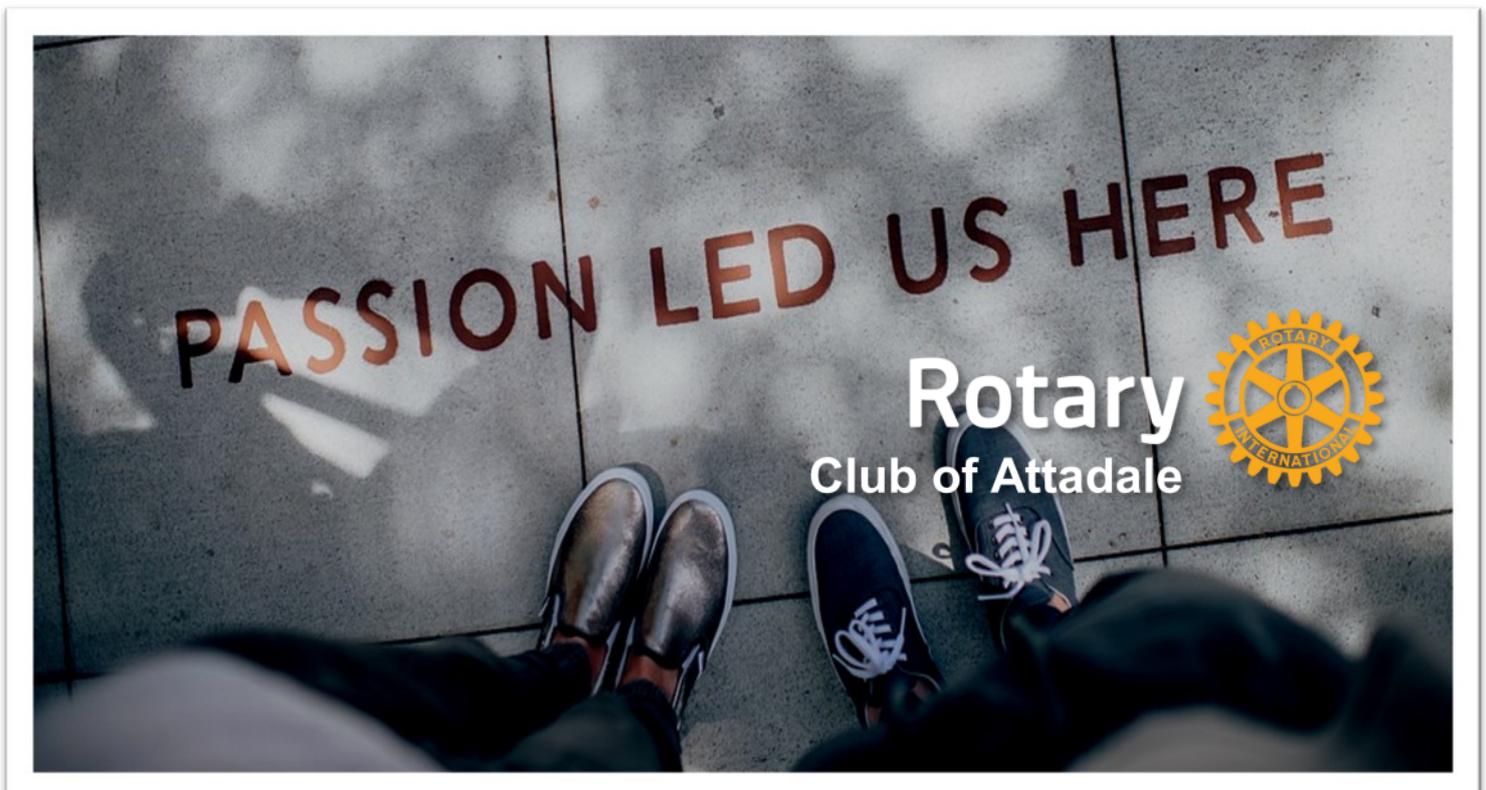

Kerry gave us an insight into his early days in The Philippines and what must have been his first venture into his Philippine philanthropy. It's strange we both arrived in Davao at about the same time but our paths were different. I remember his first office was next to The Down Under (yup, a bar of all things). I was representing a few Australian gold exploration companies and he was actively searching for it, meaning our paths had to cross as there were not too many Australians in Davao who were actually working.

We were treated to a trip to the Abrolhos Islands thanks to Colin's camera and I must say, I have never seen crayfish that big or that numerous, and what about the clarity of the water – pristine. I am sure that looking at the underwater life and scenes was taking John down memory lane.

The Board held its meeting last night and I intend to circulate the outcomes a little later this week, after checking with Colin's excellent record keeping to ensure that I report fairly and accurately, but my email to all of you this afternoon was one of the outcomes of last night. **Please, please, let me know by 5.00 pm this Friday, 14 May, if you will or will not be attending our 24 May meeting at the Dome Café, Deep Water Point, Mt. Pleasant.**

Yours in Rotary

Neil

May 2021 - Youth Service Month

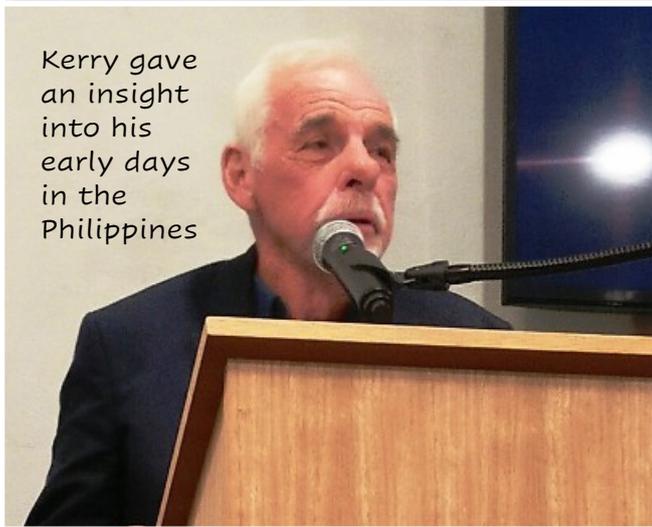

Unless otherwise specified, the Rotary Club of Attadale meets at Limones Restaurant every Monday (except public holidays), 6 for 6:30PM

Sun	Mon	Tue	Wed	Thu	Fri	Sat

Martin!*

Happy Birth

Kerry gave an insight into his early days in the Philippines

Colin treated us to a trip to the Abrolhos Islands

ANNOUNCEMENTS

★ THANK YOU

Jenny and Jim Calcei, for the divine cannoli enjoyed by everyone

★ APPEAL

As announced by Ian at the last meeting, there is *"an annual appeal from Curtin Radio who support a homeless charity group. Last time the club donated a huge amount of packet soups as requested. This year they are seeking packets of tea bags, small jars of coffee, sugar and long life milk. **We need to bring it next Monday so Heather can take it to Curtin Radio.***

Curtin have been a great contributor in getting the best speakers along to the club, and it would be good to return the support."

★ MAY 24 MEETING

Venue: **DÔME CAFÉ, DEEP WATER POINT**

Time: 6:00 for 6:30pm

★ DISTRICT 9465 METRO ASSEMBLY

30
May
2021

📅 May 30, 2021 8:30 AM – 1:30 PM

North Lake Senior Campus

📍 180 Winterfold Rd
Kardinya, West Australia WA
Australia

Meet your District team, hear about Rotary updates, learn about our District programs, explore the Projects Fair and share how we will *Serve to Change Lives* in 2021-22

GRANT UPDATES

Changes to The Rotary Foundation funding model

To better support the growth of global grants, The Rotary Foundation Trustees recently approved policy changes to help balance financial resources with program demands. You can read about these changes, which take effect 1 July, in [an announcement on My Rotary](#). The change that will most directly impact grants is that **the World Fund match of DDF for global grants will be 80%**. For 2020-21, as long as funds remain available, DDF will continue to be matched at 100% for applications submitted by 31 May, 23:59 Chicago time (UTC-5), and approved by 30 June, 23:59 Chicago time (UTC-5). Applications that are not approved this Rotary year will need to be resubmitted with adjusted financing.

Policy updates for returning funds to the Foundation and canceled grants

The Foundation's policy for returning unused grant funds and handling canceled grants has changed. Learn about the updated policy in the current version of the [Terms and Conditions for Rotary Foundation District Grants and Global Grants](#).

Programs of Scale

Backed by evidence.
Strengthened through partnership.

RESOURCES & REFERENCE

Environment global grants are coming soon!

Clubs and districts can apply for global grants to support the environment beginning 1 July. If you want to apply for a global grant, review the [Areas of Focus Policy Statements](#) carefully to make sure that the project you're planning is eligible for funding. You can then apply for these grants through the [Grant Center](#)

Grant management recertification

The [Grant Management Seminar](#) and [Grant Management Recertification](#) courses are being updated, and new materials will be available 1 July.

NATIONAL 17-23 MAY 2021 VOLUNTEER WEEK

RECOGNISE. RECONNECT.
REIMAGINE.

'CELEBRATE OUR VOLUNTEERS DURING NATIONAL VOLUNTEERING WEEK'

Article by RI Director-Elect Jessie Harman

The theme of this year's National Volunteering Week in Australia and New Zealand is 'Recognise, Reconnect and Reimagine'. Given the year we've had, I can't think of a better message.

National Volunteering Week is the perfect time for Rotarians to **recognise** the important role that volunteers play in our communities. It's an opportunity to **reconnect** with members to ensure they're involved and having fun, and as we emerge from the pandemic, it's the perfect to **reimagine** how we deliver service, operate our clubs and engage our members going forwards.

I can't think of a more important time to celebrate our volunteers. I encourage you to get involved and consider any of the following ideas:

- Host a community event to recognise the wonderful work of volunteers in your area
- Profile individual members on your club website and/or social media pages
- Recognise a special volunteer or volunteers in your community as a Paul Harris Fellow
- Hold a strategic planning event for members to discuss the future of your club or district
- Organise an advertorial in your local paper featuring your club's successful projects
- Say 'thank you' to current and former members at a specially organised social night
- Send a simple 'thank you' note
- Engage your members in a conversation about other ways to recognise and celebrate volunteers

The national volunteering peak bodies have produced a host of digital and other resources to help community groups celebrate National Volunteering Week. Australians can download these from the Volunteering Australia website: [National Volunteer Week Resources \(volunteeringaustralia.org\)](https://www.volunteeringaustralia.org). If you're in New Zealand, you can download resources from the Volunteering New Zealand website: [National Volunteer Week – Weaving The People Together](https://www.volunteeringnz.org).

National Volunteering Week will be celebrated in Australia from 17-23 May and in New Zealand from 20-26 June.
