ROTARY INFORMATION

MEHTA'S PRESIDENTIAL INITIATIVES

From Rotary Leader, May 2021 Rotary International

President-elect Shekhar Mehta will have three special initiatives for the 2021-22 Rotary year aimed at increasing our impact through service and expanding our reach by introducing new members to Rotary.

Mehta is asking every Rotarian to make membership a responsibility through the Each One, Bring One campaign.

His initiatives are:

- Empowering girls. To address the inequities that girls face worldwide, members will be encouraged to launch a club-based initiative or be part of a district or global grant that improves the health, well-being, education, and economic security of girls in their communities and ensures their access to resources.
- Rotary Day of Service. Clubs will be asked to collaborate to conduct hands-on service activities with members of their communities and share those activities on Rotary Showcase.
- Presidential conferences. A series of presidential conferences will highlight club humanitarian efforts in their communities and around the world. Members should invite a friend to one event so they can learn about Rotary's work and be inspired to join us in our commitment to service.

Learn more on the [president-elect](#) page of My Rotary.

ROTARY INTERNATIONAL CONVENTION

From Rotary Training Talk, May 2021 issue

We're planning a great event for the 2021 Virtual Convention: Rotary Opens Opportunities, 12-16 June 2021. The program, which will include breakout sessions and a virtual House of Friendship, is open to all Rotary members and participants. Sign up for the convention today and encourage friends in your network, club, and community to join you. Don't miss out! Register and watch for updates at convention.rotary.org

June is Rotary Fellowships Month

Rotary Fellowships are international groups that share a common passion. Being part of a fellowship is a fun way to make friends around the world, explore a hobby or profession, and enhance your Rotary experience.

Membership in a fellowship is open to any interested individual. You can contact a fellowship directly by using [this link](#).

[Join a discussion group](#) or [start a new one](#). It's a great way to share your interest with other members.
