PRESIDENT'S MESSAGE

A balmy summer's evening was the perfect setting for our Monday meeting. Certainly the outdoor area is a great place to socialise before the meeting begins. Let's worry about cold and rainy winter nights when they arrive and in the meantime enjoy the cool of a summer night. I am not too sure of the number of members who attended but certainly the venue was more than big enough.

For the second Monday in a row we were once more treated to the talent of our youth, Radheya having recently graduated from Curtin University with double degrees and obviously heaps of talent and confidence. I am sure that all who attended wish him all the best in

his future career of animated film production, or whatever twists and turn of life leads him in to.

Radheya got off to a flying start by drawing his own door ticket and won him a 2015 Cab Sav, courtesy of Piano Gully, for his father.

draw, not that lucky, he didn't scoop the pool but did take him, once again courtesy of Piano Gully, a 2017 Chardonnay but for himself!

Colin was in fine form with Happy \$ and obviously had pre-planned his "marks" ahead of time, but well worth it as Ian was more than willing to take their contributions and hand them over to Heather to deposit them safely into our bank account.

Well done, Joyce, on what was really your first night "on the door" and we must not forget Ian who organised the \$1,500 Community Grant Donation to our Charity Account from RealEstate.com

Finally, thank you to Giovanna for providing the cupcakes to go with tea and coffee after the meeting.

Do not forget that Monday, 1 March, is a Public Holiday and there will not be a meeting that night, the next being the following Monday, 8 March, after the Joint District Conference. Other than that I am sure quite a few of us will meet on Friday 5 March at the Charity Golf Day.

Yours in Rotary

Neil

Celebrate our Global Peace Community

There's no coincidence that Rotary's birthday falls on the Rotary Month of Peace & Conflict Prevention/Resolution. Peace is at the center of Rotary's humanitarian mission of service. To celebrate this momentous month, we are highlighting the ways that Rotary and the RAGFP are making bounds for positive peace action around the world and how you can get involved to *Wage Peace*.

Here at the [RAGFP](#) we *Wage Peace* through the Three E's: **Engage, Educate, and Empower**. Our model creates and supports peace initiatives and programs that engages peacebuilders, educates the masses on peace education, and empowers communities to build peaceful systems.

“Silence is the most beautiful thing that exists in the Universe.”

This is the opening narrative in [The Quiet](#), an intriguing animated film about space, silence, and siblings by Radheya Jegatheva.

Unassuming, articulate and obviously talented, Rad is an Oscar-qualified and AACTA-nominated rising star on the world festival circuit
