Volume 40 No 05 11 August

Bev Moffat  
2022-23 President

Despite only 11 attendees at the meeting, we held a lively and enthusiastic business meeting on Monday night with plenty of positive input from those attending. John spoke to us about the Jennifer Jones Membership challenge and outlined the message and steps currently in place to make membership in our club more balanced and diverse. It is proposed that we will put a Zone submission in to be selected as part of this challenge, so watch this space. Diverse ideas were put forward on some of the possible events we could run to engage with members of the community, and fantastic input from Donna and Mick on engaging with a younger demographic was welcomed. John also discussed the Aspiring Leaders Programme and is working to get this advertised soon, with a view to having 2 to 3 people joining the programme by the end of October. We will need your help to promote this as widely as possible.

Rod spoke to us about using our contacts to encourage the use of the Containers for Change scheme, with an offer to all members to assist in setting up a mail merge to reach out to your contacts. Please contact Rod if this would be helpful. Rod also confirmed that at this time our Music of the Air concert has been postponed to 2023, due to SSSO commitments

Shelley confirmed that we currently have 25 financial members, and that Rotary International and Rotary Downunder fees to December 2022 have been paid.

Bev advised that Sacha Finlay-Collins from Santa Maria College has been nominated to attend NYSF with a 33% sponsorship from Attadale Rotary. She is encouraged to use fund raising efforts to account for a further 33%, with the balance to be funded by her parents. RYPEN event in September has been cancelled due to Covid impact. DG Ric MacDonald has asked clubs to arrange combined meetings for his visit, this is currently being worked on. Melville Rotary is proposing a "Bridging the Gap" Project and will attend one of our meetings in September or October to tell us more about the project and any way that Attadale Rotary may be able to assist. Finally, I am calling for suggestions from members for ideas of projects that we can undertake as fund raisers. We have had all our efforts curtailed over the past two years, and I am looking for something to encourage enthusiasm and participation of our members. Let me know any thoughts you may have!

Our President's Language Challenge stumped everyone this week: the question was: "What is the French for Happy National Day?", the answer Bonne Fête National. In the interests of making this truly international, a little bit of Swahili for this week. How do you say Hello in Swahili, which is the communal language of East Africa, the answer: Jambo (pronounced jumbo).

The door prize was won by Della again this week, and the Shelley won the Joker draw, but the Joker remained firmly hidden. Mick has us all reaching into our pockets for Happy Dollars, amid plenty of laughter. Thanks to Shelley for providing the Sweet Endings to the meeting.

We have no guest speaker for the meeting on 15 th August, so I will be doing a thumbnail sketch to tell you a bit about my life, I would love to have your company!

Yours in Rotary  
Bev

## August 2022

Membership and New Club Development Month

*Visitors are always welcome*

*Come and enjoy great fellowship and friendship*

## Aspiring leaders program (ALP)

ALP participants will be regarded as full members of the Club, with all the rights and responsibilities of standard membership except voting rights. On completion of the ALP, participants may choose to remain as Club members, without any usual membership application process being required.

All club members and program participants meet their own meal costs each meeting. As the designation of ALP member is not a recognised Rotary International membership category, there will be no fees.

Applicants from a diverse range of work areas are encouraged to apply, and ideally should have a minimum of eight years' work experience. Applicants should be seeking to enhance their professional and personal skills as they progress their career from technician to frontline leader or from frontline leader or middle manager to either middle or senior management positions.

Fellow Rotarians.

The following outlines the process for the Aspiring Leaders Program. I need two things from our members to make this successful.

1. Identify possible participants and provide their contact details to me after you have shared an outline of the program with them and they have shown interest
2. Nominate yourself for one or more of the following positions:
  - a. A buddy-mentor for the participants (staying in touch and escorting the ALP Member whilst they establish relationships within the club}
  - b. Program coordinator
  - c. Members willing to meet with the participants and share their business/professional background (easy role, not time consuming}
  - d. Members willing to do some pro bono 'coaching' /'Mentoring' with participants. Can be formal coaching or mentoring e.g., practical business experience advice

## Aspiring Leaders Program (ALP) 2022 – 2023

### PURPOSE

- to provide
  - Coaching & mentoring to those aspiring to future leadership positions.
  - personal development opportunities for aspiring leaders
  - network opportunities for aspiring leaders with other professionals
  - to bring at least two younger members into the RCA, for a period of two years.

### DESCRIPTION

The Rotary Club of Attadale (RCA) will offer a two-year Aspiring Leaders Program (ALP) for a second year commencing in October 2022. The ALP offers participants the invaluable professional and personal experience of being a member of highly respected community service organisation and developing leadership skills in the process.

Participants will have access to significant mentoring experiences, one-to-one professional coaching sessions and will gain a range of experiences, including co-leading a community service event. The Club will support each participant to attend and engage with the larger Rotary community.

The first year of the program will focus on the skill development of ALP participants, with them being recipients of pro bono coaching, mentoring, training and development, through club members.

In the second year, to further support participants with enhancing these skills, they will take on a club officer role and develop programs and opportunities within that portfolio area and /or lead, or co-lead, at least one local service activity. This as well as providing support to ALP members in their first year.

## Adventure in Story Stelling

This will be an enjoyable afternoon where we will learn from each other as well as from others who do this very well.

Come along if you have something to learn, something to share or a mix of the two!

It is all on Zoom, to ensure you can attend in the comfort of your own home and be 'covid-safe'. You are also welcome to get together with others and join in as a group. We will be finishing with a BYO sundowner.

This is the first of our Adventure series this year. We are very excited to get started! See you there!

## RYPEN Cancellation for 2022

Dear Colin,

I hope this email finds you well.

Due to unforeseen issues related to the COVID-19 pandemic, we've had to make the difficult decision to cancel the RYPEN Camp for September 2022.

Unfortunately, we simply weren't able to get sufficient volunteer facilitators to run the camp in a safe, effective and fun way.

We look forward to running the next RYPEN camp in May 2023.

If you have any questions or would like further information, please don't hesitate to let me know.

Yours in Service,  
Ian Ball

Its not hard work. Four hours on a Sunday morning, collecting money or using an EFTPOS machine for entry to the parking, or directing cars to parking areas.

# our commitment to diversity, equity, and inclusion

At Rotary, we understand that cultivating a diverse, equitable, and inclusive culture is essential to realizing our vision of a world where people unite and take action to create lasting change.

We value diversity and celebrate the contributions of people of all backgrounds, across age, ethnicity, race, color, disability, learning style, religion, faith, socioeconomic status, culture, marital status, languages spoken, sex, sexual orientation, and gender identity as well as differences in ideas, thoughts, values, and beliefs.

Recognizing that individuals from certain groups have historically experienced barriers to membership, participation, and leadership, we commit to advancing equity in all aspects of Rotary, including in our community partnerships, so that each person has the necessary access to resources, opportunities, networks, and support to thrive.

We believe that all people hold visible and invisible qualities that inherently make them unique, and we strive to create an inclusive culture where each person knows they are valued and belong.

In line with our value of integrity, we are committed to being honest and transparent about where we are in our DEI journey as an organization, and to continuing to learn and do better.
