VICE PRESIDENT'S REPORT FOR 1 August 2022

Our President, Bev Moffat, was unable to attend the meeting so the report is from John Sharp.

John Sharp
2022-23 Vice President

A most enjoyable first meeting at the Royal Fremantle golf club. Our guest speaker, Rima Smith-Rawlins (daughter of Della) provided a very entertaining and informative presentation about her exchange student visit to Switzerland in 2019. Amazingly she went on the exchange only 3 months after her 15th birthday. Her life changing experience was significantly triggered by the need to socially interact with people she had never met before. A big ask for any 15 year old particularly when there is a language difference.

We were also very pleased to welcome Amanda Grundy, who was referred by Mike Van Trier with whom she is a work colleague. Amanda, who has previously been a Rotarian with Geraldton club. a few years ago, told me she enjoyed the meeting and looks forward to coming again the week after next.

Sadly we have had to postpone the Comedy for Charity events due to lack of bookings, probably related to winter storms & rising COVID numbers. A review will be conducted in a couple of weeks to see what we could do differently to get better bookings & when we could reschedule.

Jennifer Jones Imagination Challenge

A program of education for Rotary Clubs that embraces best practice models on membership growth and public image from around Australia and the World

Concept: The sponsoring districts offer 5 places each on a program aimed at providing clubs with the skills and strategies to be relevant to their communities in the 21st century.

The project will include specific support and expertise for each of the participating clubs in accordance with their needs.

Benefits: Successful participating clubs will modernise, improve their public profile, and grow their membership.

Terms: This offer is open to clubs which are committed to modernising and improving value to members, and whose members have voted overwhelmingly to take part (75% or more in favour).

2. Participation in a Communities of Practice club development program and other training and development programs related to the project.

 - a. *by identifying local community issues and targeting programs to these*

The measurable outcomes

1. Significant increase in membership
2. Significant reduction in average age
3. Significant improvement in demographic balance

President Bev has already accepted the challenge on our behalf

Fellow Rotarians.

The following outlines the process for the Aspiring Leaders Program. I need two things from our members to make this successful.

1. Identify possible participants and provide their contact details to me after you have shared an outline of the program with them and they have shown interest
2. Nominate yourself for one or more of the following positions:
 - a. A buddy-mentor for the participants (staying in touch and escorting the ALP Member whilst they establish relationships within the club}
 - b. Program coordinator
 - c. Members willing to meet with the participants and share their business/professional background (easy role, not time consuming}
 - d. Members willing to do some pro bono 'coaching' /'Mentoring' with participants. Can be formal coaching or mentoring e.g., practical business experience advice

Aspiring Leaders Program (ALP) 2022 – 2023

PURPOSE

- to provide
 - Coaching & mentoring to those aspiring to future leadership positions.
 - personal development opportunities for aspiring leaders
 - network opportunities for aspiring leaders with other professionals
 - to bring at least two younger members into the RCA, for a period of two years.

DESCRIPTION

The Rotary Club of Attadale (RCA) will offer a two-year Aspiring Leaders Program (ALP) for a second year commencing in October 2022. The ALP offers participants the invaluable professional and personal experience of being a member of highly respected community service organisation and developing leadership skills in the process.

Participants will have access to significant mentoring experiences, one-to-one professional coaching sessions and will gain a range of experiences, including co-leading a community service event. The Club will support each participant to attend and engage with the larger Rotary community.

The first year of the program will focus on the skill development of ALP participants, with them being recipients of pro bono coaching, mentoring, training and development, through club members.

In the second year, to further support participants with enhancing these skills, they will take on a club officer role and develop programs and opportunities within that portfolio area and /or lead, or co-lead, at least one local service activity. This as well as providing support to ALP members in their first year.

ALP participants will be regarded as full members of the Club, with all the rights and responsibilities of standard membership except voting rights. On completion of the ALP, participants may choose to remain as Club members, without any usual membership application process being required.

All club members and program participants meet their own meal costs each meeting. As the designation of ALP member is not a recognised Rotary International membership category, there will be no fees.

Applicants from a diverse range of work areas are encouraged to apply, and ideally should have a minimum of eight years' work experience. Applicants should be seeking to enhance their professional and personal skills as they progress their career from technician to frontline leader or from frontline leader or middle manager to either middle or senior management positions.

A maximum of three ALP places will be offered for 2022-23. Each participant would require a mentor, who would work with the coordinator, to ensure all elements remain on track.

our commitment to diversity, equity, and inclusion

At Rotary, we understand that cultivating a diverse, equitable, and inclusive culture is essential to realizing our vision of a world where people unite and take action to create lasting change.

We value diversity and celebrate the contributions of people of all backgrounds, across age, ethnicity, race, color, disability, learning style, religion, faith, socioeconomic status, culture, marital status, languages spoken, sex, sexual orientation, and gender identity as well as differences in ideas, thoughts, values, and beliefs.

Recognizing that individuals from certain groups have historically experienced barriers to membership, participation, and leadership, we commit to advancing equity in all aspects of Rotary, including in our community partnerships, so that each person has the necessary access to resources, opportunities, networks, and support to thrive.

We believe that all people hold visible and invisible qualities that inherently make them unique, and we strive to create an inclusive culture where each person knows they are valued and belong.

In line with our value of integrity, we are committed to being honest and transparent about where we are in our DEI journey as an organization, and to continuing to learn and do better.
