## National Youth Science Forum

**Gillian** introduced **Kate Pearson**, our National Youth Science Forum (NYSF) participant who thanked the Rotary Club of Attadale for the opportunity to attend the National Youth Science Forum. Kate said it was a once in a lifetime experience and she was so grateful to have been able to attend. The program enabled her to gain so many connections and network with like-minded people.

Her top three seminars were about neuroscience, the science of taste and critical thinking and philosophy. They were all extremely engaging and challenged her to ask more questions.

The highlights of the forum for her, other than meeting everyone and attending amazing seminars were the disco, home hospo day and the formal dinner.

Kate was very fortunate to be able to spend home hospo day with Rob and his family who were so inviting and friendly.

The Rotary Club of Attadale received a letter from the Home Host family who **Kate** spent a day with. They said: -

***'I just wanted to congratulate your Club on your selection process in sponsoring Katie to attend NYSF. She is a delightful young lady ... polite, friendly, fun, helpful, quirky sense of humour, respectful, vibrant, thoughtful, happy .... not sure there enough compliments in the dictionary. We would love the chance to meet her again one day.'***

**Gillian** introduced **Erol Cenza Jnr** our Rotary Youth Leadership Awards (RYLA) participant. Erol was very grateful to his host family Abby and Kerry Parsons and the Rotary Club of Attadale for the opportunity to attend RYLA.

He said it was an experience that will change his life. He was able to participate in a wide range of activities that were challenging and rewarding.

The other participants were an amazing group of people that he formed a bond with.

Gillian was delighted to present Erol with a certificate of participation.

## Guest Speaker Kay Eva *Stitches of Hope*

Stitches of Hope started with the passion and desire of one person, Kay Eva, from Gidgegannup, Western Australia.

As a teenager, Kay had a dream to work in a third world country and give all that she had to raise the skills ability and living conditions of as many people as possible.

Forty years later after marrying and raising a beautiful family her dream became a reality.

In October 2004 she joined a group of fourteen people from the Riverview Church in Perth, and went on a life-changing Awareness Trip to Cambodia for ten days.

This trip deeply impacted her and she returned home with a burning desire to raise funds and return to teach sewing to underprivileged women and young girls who would otherwise most likely be lured into trafficking and sweat shop situations.

Kay was aware that country people don't have the same access to opportunities that exist in the city, so she established projects in small rural communities.

Since Kay's first trip to Cambodia, she has returned more than 30 times, working tirelessly to help Cambodian mums and dads, boys and girls to gain a better way of life.

Stitches of Hope provide care for the poor, the abandoned and the marginalised with homes, education and skills development, thus giving them hope and empowering them to realise their potential.

In procuring sewing orders they provide employment for up to 30 people. They have even established a project making sleeping bags for the homeless in Perth.

Kay's talk was very interesting and she is to be congratulated on the inspiring work she and her team do.

*Bruce and Robin Robinson, Kay and John Eva and Gail McCulloch*

## Winners

The winner of the Door Prize was **Martin**, who also won Raffle but not the Joker. He was very happy to take home two bottles of wine.
