Programme for tonight's meeting

 THE ROTARY CLUB OF ATTADALE Dinner Meeting October 2, 2017	
Tonight's Programme: <i>'Microbats and Minimizing the Mozzie Menace in Melville'</i> Meal ~ Assistant Governor Lesley Combes ~ <i>'District Update'</i> Bob Rodgers & Martin Houchin ~ <i>AGM of the RCA Neil Henley Foundation</i>	Giovanna McKay ~ <i>'Our New Web Site'</i> Llew Withers ~ <i>'Prepare, Produce, Provide'</i> Rod Rate ~ <i>'Opera at Twilight 2018'</i> Colin McCulloch & John Sharp ~ <i>'The School of St Yared and the Global Grant'</i>

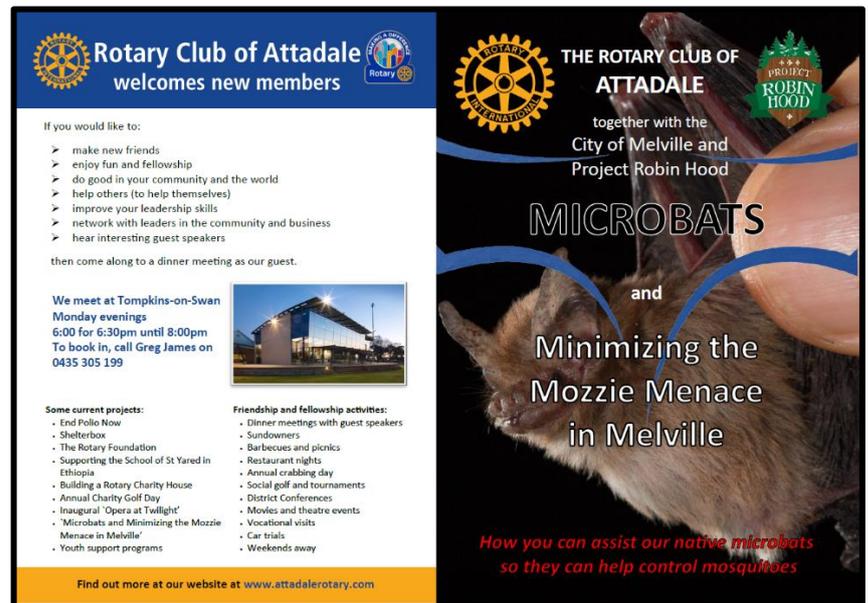

Microbat Project Minimizing the Mozzie Menace in Melville

Colin has been preparing information to be used on a four-page flyer about the Microbat project.

Giovanna has been working with Colin to organise the best presentation that will get the message across and be in a format that will encourage people to read it.

10 000 copies will be printed and distributed, mainly with local newspapers.

Opposite are the front and back pages.

Assistant Governor Message

Lesley Combes: -

- Reminder from DG Bruce Lynch on the project set out by RI President Ian Riseley, encouraging all Rotary clubs to plant trees. He would like a summary for all clubs to list what trees they have planted.
- Conference in Margaret River 16th -18th March 2018. Please book your accommodation so you don't miss out.
- She would like the four clubs in our cluster to meet for fellowship on 24th January 2018.
- This cluster has been asked to help organise the District Governor changeover on 7th July 2018 at the South of Perth Yacht Club.
- The Women's Seminar made \$4500 this year. It does not have a home for next year, is any club interested?

AGM of the RCA Neil Henley Foundation

Bob Rodgers on behalf of **Jeff Spickett**, declared the meeting open and explained how the Neil Henley Foundation came about and how it works.

Martin Houchin as the treasurer gave his report.

Martin also moved a motion that the annual fees be \$1 for membership of the Foundation which was seconded by **Robin**. The motion was passed.

Martin, Bob and Mal were nominated and re-elected as trustees to the Foundation for a further two years.

New Web Site

Giovanna has done a fabulous job creating a new RCA Website.

She talked the members through the site so they could see how areas can be accessed.

At this stage only Giovanna, Colin and Martin can enter information directly. If anyone needs to enter information one of them will do it for you.

Giovanna has sent all members an email to use our own password to log in.

It was suggested everyone put the website under favourites so it is easy to access. If anyone needs help to do that, Giovanna, Colin or Martin will be happy to help you.

Prepare, Produce Provide

Llew told the meeting that he and others have been working on this project for a few years.

It was born out of an idea by Cath MacDougal "Live to Tell Your Story".

The work is all done by volunteers and involves four projects.

- 5000 Meals
- Smartfish
- Kartagup Djinda Ngadark (pronounced Jinda Nardark) "Perth comes alive under the stars"
- Workshops and Industry Training Sessions

Llew is now Chairman of the Board. He explained that the basic idea is to give young people hope. Part of the project is to use surplus food to teach people how to cook meals under the guidance of chefs that can be given to those in need.

Opera at Twilight 2018

Rod told the meeting that the committee had decided we did not have enough time to put this event on this year.

We need to start now to plan for next year and we need the commitment of **every** member to make it a success.

Kalamunda is putting Opera in the Park on this year on November 11th 2017.

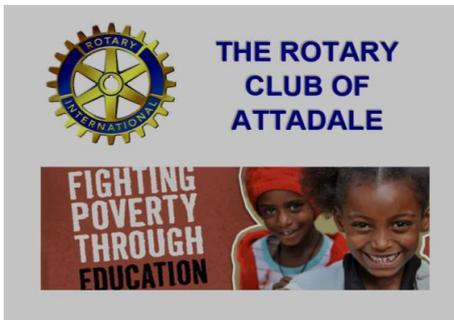

Please put this date in your diary as we want all of us to go and see how it operates and to support Kalamunda as they are going to support us.

Please invite friends so they will be enthusiastic about supporting our event next year. We need people to help

- Form a small team of three or four members to become risk management specialists.
- Have two or three members research and gain expertise in managing parking and traffic plans.
- Develop a data base of people we have spoken to who may attend the event.

Global Grant

John reported that the work continues as he tries to address all the required criteria to put in a successful Global Grant application.

The only thing outstanding is the WASH program and **Neil McKay** has prepared one.

We are close to being able to submit.

Family of Rotary

Ian announced that we are looking forward to members enjoying a meal together this Thursday night October 5th at the Bentley Pines TAFE Training Restaurant, in Brodie-Hall Drive off Hayman Rd, Bentley. Please arrive at 6.30pm sharp. See the map below for directions.

Selwyn had a very lucky night.

Not only did he win the Door Prize but also the Raffle.
