#### Meeting October 9

**President Colin** welcomed our guest speaker **Chris Smoje** and Olivia's son **Emmanuel**.  
He also thanked **Rod** for stepping in to be Sergeant as **Patricia** was unwell.

We sang the National Anthem to a great historical video. The members were then asked to complete a quiz sheet naming at least twelve well known people featured in the video.

The best any table could do was name **four!!!!!!**

#### Sausage Sizzle Time

**Colin** announced that we will be holding **two sausage sizzles** at Bunnings **one week apart**.

The first will be held on **November 25<sup>th</sup>** and we will be running **a cake stall there on the same day**.  
The last cake stall was a great success. If everyone could start making cakes, biscuits and slices it would be much appreciated.

**We won't be selling Rotary Christmas cakes so will need lots of home cooking to make it a success.**

#### MEMORIES FROM LAST YEAR

## Whiteman Park Doggies Day Out

**Patricia** is going to this event with **Colin** and **Gail** to maybe get some ideas for the Dog Show she is planning for next year.

It sounds like a fun day out for the family so why not come along and join us this Sunday.

### Doggies Day Out

**DATE:** Sunday, 15 October

**TIME:** 10:00 am - 2:00 pm

**PRICE:** Free

**LOCATION:** Village West

### Whiteman Park

Entry off Lord Street or  
Beechboro Road, Whiteman.

The “paw-pular” Doggies Day Out returns to Whiteman Park on Sunday 15<sup>th</sup> October, celebrating all things canine!

Pick up tips and hints, loads of great pet products and even get your fur-friend bathed and groomed at this year’s event. Plus, don’t miss the Giant Ball Drop! Up to 1,000 numbered balls will be dropped ‘from the sky’ for a very spectacular ‘raffle’, raising funds for the RSPCA WA and Whiteman Park’s Dog Park.

The kids won’t miss out either, with a face painter, Scooby Doo bouncy castle and balloon dogs on hand to keep them entertained. This is truly an event for the whole family – pooch and all!

Dogs are permitted and encouraged to attend the event, but must be on a lead at all times and dogs requiring muzzles by law must wear them at all times during the event.

## Board Meeting

At Tuesday’s Board Meeting:

- Llew spoke about the **Prepare, Produce, Provide** project explaining its structure, governance, strategic plan and planned development with financial support from LotteryWest, businesses and Rotary. The Board gave its formal support to the project and donated \$500. Llew will be the Rotary representative in his role as interim chairman and then as a board member.
- Corporate Membership and Sponsorship were discussed and broad guidelines developed. These will be refined and then formalised in amendments to RCA By-Laws.
- AG Lesley Combes will be requested to change the proposed cluster clubs meeting from January 24 to the week prior (as our Australia Day celebration at the Parsons’ is on Jan 26)

- **World Polio Day - Tuesday, October 24**  
At our meeting on October 23 Mal will organise a short presentation on the 2005 Club trip to India and Nepal. Colin will provide an AV show to support this from the Club's 30<sup>th</sup> Anniversary video.
- **Better use of the RCA Website**  
It was proposed that the new website should be utilised to give recognition to our many sponsors and encourage members to support their businesses. It was suggested that the secure members' area could be used to store important Club documents.  
This topic will be discussed and developed further at the next meeting.

### **Bentley Pines Restaurant**

Thank you, Anne and George, for the idea and Ian and Jacquie for organising and collecting the money. It was a great night of fun, food and fellowship with members, partners and Robin and Bruce's son Duncan.

### **Opera in the Park Saturday 11<sup>th</sup> November**

**Kalamunda is putting Opera in the Park on this year on November 11th 2017.**

**Please put this date in your diary** as we want all of us to go and see how it operates and to support Kalamunda as they are going to support us.

We need to start now to plan for next year and we need the commitment of **every** member to make it a success.

We need people to help

- Form a small team of three or four members to become risk management specialists.

- Have two or three members research and gain expertise in managing parking and traffic plans.
- Develop a data base of people we have spoken to who may attend the event.

### Guest Speaker

John had great pleasure introducing **Chris Smoje**, the founder of **DIME™ Customer Service**.

Chris is an experienced speaking and training professional dedicated to the customer service industry. His aim is to motivate teams and individuals to apply DIME Customer Service principles that will realign, focus and transform their customer service initiatives.

The 5 Principles are

- D Deliberate
- I Interaction
- M Memorable
- E Experience

Chris demonstrated how he puts the principles into practice by giving everyone an envelope that contained a dime and his business card. We could all see the immediate effect of his five principles.

He was a very personable and entertaining speaker.

### Family of Rotary

Ian said that Max was feeling pretty good. He has his final chemo this week but will have checks to see how he is progressing. He is still driving locally and misses attending Rotary.

Rey has had a relapse with her breathing but is seeing her professor this week to discuss her condition and treatment.

Nick is recovering from a stent operation and a sore foot.

We send our love to them all and anyone else who has been unwell including Nancy Bray
