In Giving We Receive (IGWR) Quiz Night

Mal reminded members of this event which will be held on

Friday, June 8 at the East Fremantle Football Club

Please invite people to make up a table or tables to help make this a successful night. He is seeking donations for the night for a silent auction and raffle prizes.

Please phone or email **Mal**, H 9330 1581, M 0413 833 747 or mal.bennett5@optusnet.com.au

to let him know how many tables of 8 - 10 you have organised and what prizes you can donate.

See the poster later in the bulletin for full details.

Peter Humphris

Peter thanked the members for their support last year when we helped raise over \$6000 at the quiz night.

He spoke about the work they are doing in Nepal where they are currently making a difference to the lives of about 70 children - from toddlers to teenagers.

They rent three houses and employ house mothers, so that children can live safely and healthily.

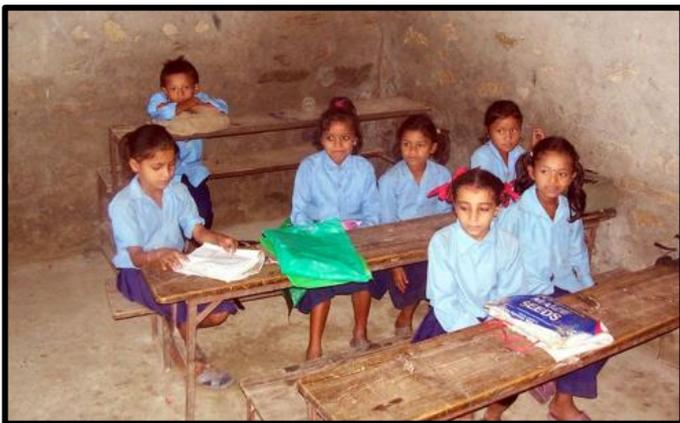

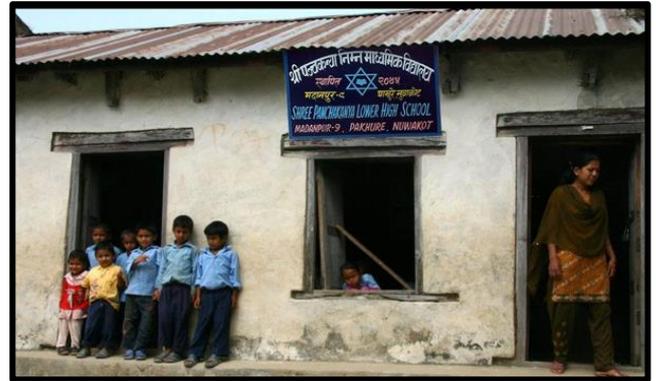

Peter Humphris and Mal Bennett

Often their families live more than a day's journey away from a school and the only way the children can obtain an education is by leaving home.

They provide support to three schools - by paying teachers' salaries, providing supplies, and giving lunches to children who would otherwise not eat at school.

Their main focus is on working with families to support their children while they obtain an education.

They have been improving the school buildings and facilities for the children who are all keen and eager to learn.

If you would like to help, please come to the quiz night on Friday, June 8

The Rotary Club of Attadale's association with Nepal continues through St Paul's Church Beaconsfield. Each year we work with them to run a quiz night.

Please invite family and friends to come and enjoy a great night out to help support a very worthy cause.

We are looking for donations suitable for prizes and raffles as well as people to make up tables on the night.

See all the details on the poster below.

GUEST SPEAKER

Brenda Will

'Aged Care – the Options, Costs and Key Issues for Families'

President Colin McCulloch, Brenda Will and James Doogue

James Doogue has known Brenda for 20 years and was delighted to introduce her and share her many amazing achievements. James wore this tie as it was the very one he wore the day Brenda came to work for him.

James told the meeting that not only is Brenda skilled in Taekwondo, she has a Bachelor of Science and a Bachelor of Veterinary Medicine & Surgery (Hons).

She is also an accredited Aged Care specialist adviser, Certified Financial Planner and holds a Diploma and Advanced Diploma in Financial Services.

Brenda has worked in the financial planning industry since 1998 and is a passionate advocate of ageing well. This often means working with clients in exploring financial options and accommodation options that help to prioritise health, lifestyle and fulfilment no matter what your age.

As well as assisting clients and clients' families on a one on one basis, she speaks to community, senior and retiree groups to try to improve public education and awareness of aged care issues, accommodation options and the importance of ageing well.

Brenda explained about assessments needed, the range of care packages available to those who qualify and the range of costs but stressed that there are long waiting lists so people need to start this planning process early.

It can be a confusing and emotional time considering placing yourself or a relative into residential aged care, but as with many of life's big decisions the best approach is to arm yourself with the facts and seek guidance from specialists.

Financial aspects are only one consideration when preparing for your care years. It is also important to consider your family needs and estate planning considerations as well as access to other government benefits and concessions.

With medical and emotional issues often at the forefront, seeking professional financial advice is often forgotten until it is too late. This difficult process can be made easier by understanding your options, getting the right advice and being prepared.

Brenda was an eloquent and very interesting speaker, with a thorough knowledge of the topic. She certainly brought home to us the huge number of areas that need to be taken into consideration.

Congratulations and Thank You

Jacquie and Ian Pittaway do a fantastic job sourcing and organising a wide range of inspiring and interesting speakers each week.

Yared Wolde and the School of St Yared

Colin told the meeting that **Yared** is coming to Perth and we are hoping to have him at our next meeting. Our club built a Rotary Charity House in Perth to provide financial help to re-locate, refurbish and expand The School of St Yared in Ethiopia.

We were strongly supported by seven other Rotary Clubs who contributed financially to our Global Grant and assisted us to donate around \$103,000 to the School of St Yared.

Rotary Clubs that jointly contributed \$11,250 to our Global Grant:

- Southern Districts
- Applecross
- Willetton
- Mundaring
- Collie
- Fremantle
- Katanning

The Rotary Club of Attadale contributed \$40,000 and matching grants from The Rotary Foundation built the total donated to a massive \$103,000

CONGRATULATIONS

Congratulations to **Giovanna** on being awarded the
Great Club Bulletin Award - Eagle Vision - Sub Area 2B

Great work Giovanna

Thank you, Giovanna,

Family of Rotary

Ian spoke to **Tom** today. He is now home from hospital and doing well. Tom is looking forward to getting back to Rotary.

Max is now in Murdoch Hospital.

Visit to the Lawrence Wilson Art Gallery

Stewart Scambler, the well-known potter, has a display named 'Fragment', at the Lawrence Wilson Art Gallery at the University of WA from May 5 to August 18.

The Gallery is open Tuesday to Saturday from 11AM to 5PM and admission is free.

We are all invited to go there at any time but it would really be special if we decided to go there as a club visit and Stewart would give us a personalised tour on a Tuesday or Thursday afternoon.

Please let Colin know if you are interested and have not yet filled in the circulating sheet.
