ROTARY SPECIAL MONTHS: **AUGUST IS MEMBERSHIP AND EXTENSION**

A SPECIAL INVITATION TO HEAR A VERY SPECIAL MAN

2018 Western Australian of the Year Professor Mike Daube

We extend a very special invitation to everyone to come along and hear the Western Australian of the Year, Professor Mike Daube, address the Rotary Club of Attadale. Mike Daube is a health promotion warrior who has fought for decades to improve the health outcomes of all Australians. He is best known for his role in banning tobacco advertising and plain cigarette packaging but this is just a small part of his great contribution to the health of our nation. Mike Daube has a powerful story to tell and we invite you to book in and share this story, thank him for his work and congratulate him on his achievements.

Meeting Monday 6th August

President **Ian** was pleased to welcome our guest speaker **Anne Cowie**

Announcements

President **Ian** was delighted to report that a great number of Rotarians went to the funeral of Max Anderson and the guard of honour they formed was very much appreciated by Max's family. Our love and thoughts go out to the family.

Congratulations

Ian was pleased to announce that the Rotary Club of Attadale was presented with the Best Bulletin Award for District 9465 at the last District Change Over Dinner.

He is pictured presenting it to the Bulletin editor **Gail McCulloch** who is very grateful for the support of her husband, **Colin McCulloch**, especially for all the technical advice and help.

Blankets from Qantas

Ian followed up on his report from last week how District 9455 had done a deal with Qantas to receive blankets and doonas for Rotary to distribute to Charities.

He thanked **Mick Donnes** who went to South Guildford and picked up the 250 blankets allotted to our club and **Kerry Parsons** for providing storage for them.

So far, we have promised 50 blankets to the Salvation Army through Ron Stobie and 50 to the St Patrick's homeless group in Fremantle.

Thank You Bart

Ian reminded members that we donated \$1800 for cabinets for the young disadvantaged group from the Palmyra Catholic Parish. These cabinets were made by **Jim Calcei's** son **Bart** who very generously offered to charge only half the cost of \$3600 as he did them in spare time that he and his staff had.

So, a big thank you to **Bart Calcei**.

Special Gavel Donated

To follow on from that, one of the Dad's, **Patrick Reid** who was at our meeting with his wife Leonie for the talk she gave, has given us a beautiful gavel set.

The gavel and block are made from timber used in building HM Bark Endeavour.

Fines Masters

A great group of Rotarians, **Mick Donnes**, **Greg James**, **Martin Houchin**, **Colin McCulloch** and **Rod Rate** are going to make up a Fines Masters Group. They will take turns to perform this duty.

St Catherine's Visit

Next week we will have our dinner meeting at St Catherine's Residential College. **Rod** has sent out an email with all the details. Tonight, he sent a sheet around for people to choose one main course from four choices. If you did not fill in your choice please contact **Rod**.

Guest Speaker ~ Anne Cowie ~ PlusLife Managing Director

James had great pleasure introducing Anne Cowie

PlusLife was established under the name The Perth Bone & Tissue Bank (PBTB) in 1992

It is a not-for-profit charitable organisation and is recognised as one of Australia's premier tissue banks.

PlusLife collects, screens, stores, and distributes donated human bone and tissue grafts (transplantable material) for use in surgical procedures.

President Ian Pittaway. Anne Cowie and James Doogue

Donated bone and tissue are used to treat patients suffering with conditions such as spinal deformities, arthritic joint disease, bone cancers, sports injuries and those needing facial and dental reconstructive surgeries.

All of Plus Life's grafts are donated and manufactured in Australia, with the majority of our grafts used within WA, with some sent interstate and overseas (New Zealand and Singapore) as required.

PlusLife has a robust quality system to ensure that our processes produce grafts of the highest quality.

PlusLife receives donated bone and tissue through two donor programs:

Living donor program

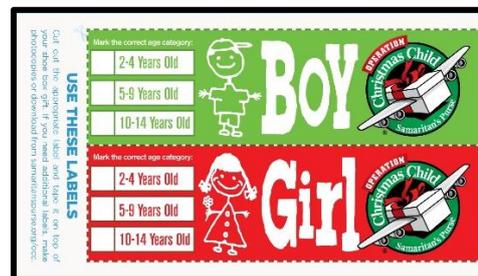

Patients undergoing hip replacement surgery can choose to donate the ball part of their hip joint (femoral head), which is removed and otherwise discarded as a routine part of the procedure.

Cadaveric (deceased) donor program

Anne's talk was very informative and interesting.

Love in a Shoe Box

Jim asked everyone to please bring the boxes to the meeting on Monday August 20.

Important Dates

Monday August 20

Please invite partners, family and friends to the Dinner Meeting to hear the new West Australian of the Year and health crusader **Professor Mike Daube AO ~ "Campaigning for Health"**

Monday September 3

Please invite partners to the dinner meeting to meet and hear our new **District Governor, Robyn Yates**.

Fantastic, Fun Fines Session

Congratulations **Greg** on your very entertaining Fines session. A great job done with humour, wit and fun.

Winners

Congratulations to **Fred** on winning the Door Prize and **Carole** the raffle but not the joker.

Thank You

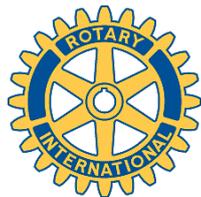

A big thank you to **Shelly Doogue** for the delicious slice everyone enjoyed with their tea or coffee.

Offers to Cook

If any members would like to bring cake, slice, biscuits or similar to have with tea and coffee it would be much appreciated. Please let **Colin** or **Gail** know before the Monday so they don't cook too.
