The Rotary Club of Attadale thoroughly enjoyed their visit to St Catherine's College, where we enjoyed a delicious meal, an interesting and informative talk, great fellowship and a tour of the College.

Guest Speaker

Rod was delighted to proudly introduce his good friend **Fiona Crowe**, who he met when his wife **Yvonne** was Head of College ~ St Catherine's from 1993 to 2003 and Fiona was Dean of Students.

Fiona has been Head of College since 2004. She gave us a very informative and interesting talk about St Catherine's College over the years.

The College was founded in 1946 as an independent, secular college, affiliated with the University of Western Australia.

It is a selective, co-educational living and learning environment for 400 students from a diverse range of backgrounds, both local and overseas, undergraduate and postgraduate.

Fiona Crowe and Rod Rate

Fiona took us on a tour of the College and we were all impressed with the very high standard of student accommodation and were surprised to learn that they let out rooms and apartments to the public.

We were privileged to hear two students speak about its flagship innovation program, Bloom (Bloom.org.au), where students of the College and young people from across all five universities and outside of tertiary education are encouraged to embrace thinking about their future in a different way. Bloom runs workshops, seminars and social events aimed at supporting young people to start something - to take an idea, prototype or business along the entrepreneurial journey of learning, failure, more learning and success in its many forms. Over 50 young entrepreneurs work from Bloom and thousands of students participate in seminars and workshops.

St Catherine's runs a dedicated Indigenous access program, Dandjoo Darbalung, that has a proven track record in improving the retention rate and educational outcomes of Indigenous students undertaking higher education.

Micro Bats

Colin presenting a Bat Box

Colin is to be congratulated on the amazing **Microbat Project**

The allocation and distribution of the one hundred subsidized microbat roosting boxes to the residents of the City of Melville is all but complete, with just a few allocated boxes awaiting collection.

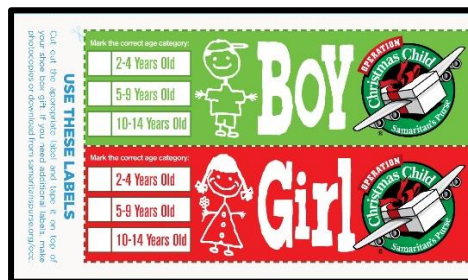

We are moving on to the presentation of boxes to schools and have given two to Booragoon Primary School and last Friday **Colin** and **Gail** attended the Palmyra PS assembly and presented them with two boxes.

This led to an approach from **David Jones** who has been thinking of joining Rotary but has been put off by the cost, (he was told it was about \$3,500 a year). We spoke to him about costs and new attendance conditions and have invited him to the Open Night as our guest.

We were also approached afterwards by our local member, **Lisa O'Malley**, who was enthusiastic about the microbat project and offered her assistance for this and any other Rotary projects (including the SSSO Concert). She may be able to suggest sponsors.

Love in a Shoe Box

Jim asked everyone to please bring the boxes to the meeting on Monday, August 20.

Thank You

Thank you **Giovanna** for offering to cook for the August 20th meeting

Offers to Cook

If any members would like to bring cake, slice, biscuits or similar to have with tea and coffee it would be much appreciated.

Please let **Colin** or **Gail** know before the Monday so they don't cook too.
