President **Ian** was pleased to welcome our guest speaker **Wilma McBain** and **Assistant Governor Lesley Combes**.

Lesley spoke about the cluster meeting she has arranged saying the whole purpose is for the four clubs to meet each other and pitch their ideas for this year and if they need help to ask or offer.

Many hands make less work and we know we are all light on for workers, so when we work together we can achieve great things.

Announcements

- There will be a Board meeting with the District Governor **Robyn Yates** at 5.00pm next Monday September 3.

Monday September 3

Please invite partners to the dinner meeting to meet and hear our new District Governor, **Robyn Yates**.

- On a sad note **Selwyn Castles**, our Treasurer, has resigned from the Rotary Club of Attadale and will be joining the Rotary Club of Fremantle.
- A big thank you to **Neil McKay** who has offered to take up the position of Treasurer.
- **Gillian** would like all Directors to submit their budgets by September 4.
- **Ron Day** was very appreciative that **Ian** and **Jacquie** and **Jim** and **Jenny** attended the funeral of his mother.
- **Colin** spoke about the disaster in Lombok and the work a couple of people have done on this, particularly **Bev Moffat**. We have received an email from Shelterbox's Mike Greenslade, saying there was a two for one deal for up to \$50 000. If you order one box, you get two boxes for \$1000. As we hadn't made a definite decision at the Board meeting it was decided to buy one and get two. It was felt that this would enable the other clubs in our district and around Australia to be part of this offer. We can look at this topic again later.
- **Colin** thanked **Betty Bright** for stepping in, in **Selwyn's** absence, to complete some accounting jobs.
- **Gillian** reminded members of the Theatre Night coming up on Wednesday September 12. She would like members to invite lots of people to attend as well as help by providing nibbles and items suitable for door prizes.
Can you contact Gillian to let her know how you are helping?
Her mobile is 0437 146 849 or email gillian.baker7@bigpond.com
- **Ian** told the members that **Trish Sharp** had fallen and broken her arm last Saturday and **Garth Curran** is on his way back from Darwin and will be having a health check on his return. We send them both our best wishes.
- **Jim** said **Ian** had approached him about our club taking on the **Love in a Shoe Box** activity as a project. Nancy Bray has done it for many years and this year had to cut back a bit. It would mean that members would ask friends to become involved and a fill a shoe box or two.

- **Carole** announced that there are two people who have expressed an interest in becoming members of our club.

Monika Kaur has been to some of our meetings and **Andrea Poynton** was referred to our club through Rotary International. They will be attending our meeting on September 10.

We know you will make them feel welcome as we have developed a reputation for looking after guests and having them enjoy our fun and friendly fellowship. .

Guest Speaker ~ Wilma McBain ~ 'Rotary Oceania Medical Aid for Children' (ROMAC)

Giovanna is a committee member of Rotary Oceania Medical Aid for Children and was very pleased to introduce Wilma McBain to the meeting who came to share information about ROMAC and to generate interest amongst WA clubs.

After leaving school Wilma trained as a nurse at Royal Perth Hospital.

In 1988 she started work at Princess Margaret Hospital for Children as the coordinator of the Cleft Lip and Palate Unit, the only one of its kind in WA.

She became the overall coordinator of the Plastic and Reconstructive Surgery Unit in 1993.

In 2006 she became the Secretary of the Australasian Cleft Lip and Palate Association.

In 2008 **Wilma** was awarded an Order of Australia Medal (OAM) for service to the community through the care and support of children requiring craniofacial plastic and reconstructive surgery.

President Ian Pittaway, Wilma McBain and Giovanna McKay

ROMAC commenced in March 1988 out of the actions of an Australian Rotarian who, with a group of surgeons, visited Lambasa in Fiji. They found the child mortality rate as high as 25% in some places and quickly identified that lack of medical and surgical facilities and skills for children of the island nations in Oceania, was a major cause.

During the next four years, eight children were brought to Australia for major, often lifesaving, surgery. Soon 20 Australian Rotary clubs were caught up in the success of each case and assisted in various ways. ROMAC established five regions representing clubs in the west, east, south, north and centre of the country.

A New Zealand region was formally established in 2004

First and foremost, ROMAC is quite a rare not-for-profit humanitarian organisation being run entirely with volunteers – no paid staff, no leased offices and so minimal fixed costs. We can proudly state that every dollar donated goes to Giving Life and our small expenses are recovered from our investments.

ROMAC in New Zealand and Australia enlists assistance from medical experts, hospitals, nurses, physiotherapists, pathology and radiology services, airlines, sponsors and other supporters. Today ROMAC is providing surgical treatment to around 50 children from Oceania every year – we are making a huge difference in their lives.

ROMAC provides surgical treatment for children in Australia and New Zealand from developing countries from our Pacific region in the form of life giving and/or dignity restoring surgery not accessible to them in their home country.

Rotarians volunteer their time and expertise to run this **Rotary** program that encompasses all the Districts of Australia and New Zealand, assisted by many eminent Australian and New Zealand surgeons who generously donate their time for the treatment of our patients.

They need more financial assistance. To help, Rotarians and Rotary Clubs can: -

- Request your International Committee to allocate \$2,000 each year to ROMAC – it is not a big amount, but if every Club donated that each year to ROMAC, we would 'Give Life' to another 50 children every year!
- Fundraise through Club activities like a Trivia Night – ROMAC can supply the format, questions and support which will not only add a great social day or evening to your Club's social calendar, but everyone participating has the joy of helping 'Give Life' to a child who would otherwise have no hope.
- Individuals can also donate and benefit from their tax-deductible status.

Another Hilarious and Profitable Session

Fines Master Martin Houchin: -

entertained the members with a table by table quiz question. Each table of members tried hard to avoid being fined but very few escaped the quick wit of Martin.

It is a part of the evening that is enjoyed by everyone, even those who are fined as they can always see the humour of it.

Rotary Club of Attadale Website

A huge thank you to **Giovanna** who is continually adding to and improving our top-quality website.

I urge everyone to go to the [website](#) often.

There is a wealth of information to be enjoyed by all.

A quick link to the Web Site is always at the top of this page.

Giovanna has put the Bulletin and Microbat project headings out where they can be easily found after some people had difficulty finding them.

“Cash on Delivery”

Cost \$20 per ticket

Storyline; - A Riotous Farce

“Cash on Delivery” is an English farce set in 1990’s London. The main character, Eric Swan, has spent two years defrauding the Department of Social Security after he lost his job. He got himself into a real pickle making up tenant names and back stories to claim their benefits. We join Eric on the day he’s decided he’s had enough and wants to start killing them off and get himself clean.

Following a phone call with the Department to inform them of the passing of one of the tenants, a DSS officer arrives to discuss another one of his false claims. Eric’s wife employs the help of a marriage guidance counsellor after concerns around her husband’s sexuality – all as a result of another fraudulent practice.

Throughout this day-in-the-life-of play, Eric and Norman, the current lodger, along with Eric’s Uncle George get themselves further tangled in a web which results in a ‘dead’ body, a rampant washing machine and a DSS officer being struck down by lightning whilst up on the roof plus a plethora of other hilarities.
