Before 6.00pm on the Sunday prior to the Monday meeting.

Meeting August 26

President **Gail McCulloch** was pleased to welcome our guest speaker **Associate Professor Matt Kemp**. She was also pleased to welcome soon to be inducted **Heather and Keith McNaught**, members, **Robin Robinson** and **Anne Lewkowski**.

Ian introduced his guest **Sharon De Pledge** and **Robin Hamilton** introduced his daughter **Sarah Frost**.

Announcements

Induction of Heather and Keith McNaught

President Gail McCulloch was delighted to announce that **Heather and Keith McNaught** will be inducted on Monday, September 16 and invited members, partners, family and friends to come and help make this a special occasion.

Lighting Issue at Tompkins on Swan

The ongoing problem of lighting along the pathways and in the carpark might finally be coming to an end.

After months of numerous phone calls and emails, we have finally been put in touch with **Mario Murphy**, Manager of City Buildings.

Gail spoke to him and received an email. He apologised for the inconvenience and explained they have discovered the existing analogue lighting timer was causing the lights to switch on and off at the wrong times.

They have ordered a new digital timer which should now be fitted.

They intend to install a new pathway light along the section of pathway leading to the carpark and when they have a confirmed date for this, they will let us know.

Unfortunately, at this stage they have no plans to put in more lighting.

Cluster Dinner

Assistant Governor Lesley Combes has organised a Cluster Dinner for Applecross, Attadale, Melville and Booragoon Rotarians and partners.

It is on Wednesday, 25 September at 6.30 for 7.00pm in the John McGrath Hall (in the same building that Rotary used for Board meetings) accessed from Hensman St or Sandgate St, South Perth.

Cost \$30 pp for sit down dinner and drinks.

We need to send in numbers to Lesley by Wednesday, September 18 and she would like each club to have collected the \$30 pp prior to the night.

Each Club can present a talk for five minutes to promote one project.

Attendance at our Weekly Monday Meeting

Thank you to everyone for filling in the Record of Leave Book or contacting the Attendance Officer.

To date we have not had to pay for any unwanted meals.

Events to plan for

- **Dinner** ~ Thursday, 19 September, Bentley Pines Training Restaurant, South Metropolitan TAFE – Bentley Campus, Hayman Road, Bentley.
- **Cluster Dinner** for Applecross, Attadale, Melville and Booragoon Rotarians and partners. Wednesday, 25 September, 6.30 for 7.00pm in the John McGrath Hall.
- **Movie** Sunday, 6 October, Movie Fund Raiser, see details below. Please invite family and friends to help make this a successful fundraiser.
If you can help with items for the raffle prizes, please let Gillian or Giovanna know.
- **Quiz Night** Friday, 25 October In Giving We Receive (IGWR). Please organise tables of ten or so and come along for a great cause and lots of fun. Items for raffles and a Silent Auction would be much appreciated.

Slide Show

Colin's slide show on *'Nepal and In Giving We Receive'* was enjoyed during the meal.

Guest Speaker
Associate Professor Matt Kemp
'Women and Infants Research to Assist Premature Babies'

***Carole Maxwell, President Gail McCulloch, Associate Professor Matt Kemp
Heather and Keith McNaught***

Matt Kemp is an Associate Professor (Research) in the Division of Obstetrics and Gynaecology at UWA, and heads the Women and Infants Research Foundation's Perinatal Research Laboratories, that designs interventions and treatments for premature babies.

Matt completed his undergraduate studies in New Zealand, at Otago University. He holds PhDs in Medicine and in Education, and is a graduate of Harvard Business School. Matt undertook a post-doctoral fellowship at the University of Oxford before being recruited to Perth in 2009, to lead the Foundation's sheep-based perinatal research program.

Working with collaborators in Japan, Matt's studies with the artificial uterine life support platform for extremely preterm infants have generated national and international interest and are presently in an advanced phase of pre-clinical development.

Babies born from 25 weeks onwards show great improvements in their short and long-term outcomes, those born between 21-24 weeks "haven't seen those sorts of improvements. The idea of the artificial womb is to bridge the three to four-week gap, to allow a baby to become strong enough and viable to be transitioned to existing technology.

An artificial womb, which is essentially a high-tech amniotic fluid bath combined with an artificial placenta, has been successfully used to incubate healthy baby lambs for a period of one week, using ex-vivo uterine environment (EVE) therapy. Researchers hope the technology will one day be able to do the same for extremely premature babies.

Associate Professor Matt Kemp, said that with further development, EVE therapy could prevent the severe morbidity, suffered by extremely premature infants, by potentially offering a medical technology that does not currently exist.

The beginnings of what has the potential to be a medical miracle lies in the paddocks surrounding the tiny town of Darkan in Western Australia, where the team work, with some fantastic agricultural and livestock consultants to get animals for their study.

They then come up to Perth and do the work. The data generated goes to Kyoto and Osaka and then to the US and Europe and other partners they are working with.

This project is a wonderful example of international collaboration.

Hearing about Associate Professor Matt Kemp's amazing, innovative and inspirational work was appreciated by us all.

Winners

The winner of the Door Prize was **Colin**

Gillian was the winner of the Raffle, but not the Joker.

Simulated Patient

Keith McNaught spoke about the Simulated Patient Programme at Curtin Medical School.

Keith has volunteered to take part in this programme and spoke of the character details he had to play.

All you need to know is on the brochure below

 Curtin University

BECOME A SIMULATED PATIENT AT CURTIN MEDICAL SCHOOL

What is a Simulated Patient?
A simulated patient is a volunteer trained to play the role of patient in a simulated doctor-patient scenario. Simulated patients are valuable in medical education, allowing students to practice physical examinations and/or medical history taking.

What is involved in being a Simulated Patient?
Simulated patients take part in simulation sessions at Curtin Medical School, Bentley. These sessions involve simulated patients participating in short role plays with medical students. Prior to the session, simulated patients will be provided with a patient script, outlining all relevant information about the simulation.

Is there a payment for Simulated Patients?
The role of a simulated patient is voluntary, however Curtin Medical School is very appreciative of your time and offers gift vouchers, a letter/certificate of participation and light refreshments during the simulated patient session.

How do I become a Simulated Patient?
If you are interested in becoming a Simulated Patient, please complete an Expression of Interest form online at <http://healthsciences.curtin.edu.au/schools-and-departments/curtin-medical-school/contact-us/simulated-patient-expression-interest/> or phone 9266 2332 for further details.

Reports

Books for sale

Mick told members of a book his granddaughter's school is selling, called 'Western Australia the Golden State'.

He said it is a beautiful book, from a couple of years ago, when Colin Barnett was the Premier.

They were retailing at \$60.00. The school is selling them for \$25.00, \$5.00 for Rotary and \$20.00 for the school.

He has fifteen to sell, so if anyone would like one, please let Mick know.

Family of Rotary

Kerry and **Abby** were holidaying in Darwin. **Garth Curran** had just had a stroke and they visited him in hospital where he had spent the first two days in ICU.

Kerry and **Abby** went off to Katherine and Kakadu for four days. On their return they were surprised to find **Garth** was out of hospital and he seemed to have no ill effects from the stroke.

Ian reported that **Nancy** and **Ron Day's** son **Matt** was in hospital last week and is now home.

Rotary Four Way Test Speech Contest

Ian told the meeting that he attended a Four Way Test Speech Contest. Two Rotary Clubs combined to hold a competition. The first two girls were going to represent those clubs and the third girl, **Erin Peoples**, is going to be the Rotary Club of Attadale's representative.

Erin will be coming to our club next week, and will present her talk to us.

Zone Semi Final

Ian has taken on the responsibility for organising the Zone Semi Final to be held on Tuesday, 24 September at 6.00 for a 6.30pm start in The Function Room at Rossmoyne Senior High School (the room is booked until 9pm, but we will be finished well before then).

We are hoping some people can bring a plate of cakes to enjoy after the competition.

If you would like to come and hear these exceptional young people speak, can you let **Ian** know as soon as possible, and before Friday 20th September.

Country Field Days

Greg attends country field days and recently attended the Dowerin Field Day. He said that all the machinery we used to see at the Royal Show is now on display in Dowerin, and can be seen working in a demonstration paddock.

There is a huge range of exhibits on display to appeal to men, women and children.

Greg used to be the Treasurer for the event, a few years ago, and said that 30 000 people attended.

He said the event is very well run. All the workers log in the hours they work, under an organisation they are associated with. When the event is over each organisation is paid from the profits so much for every hour that organisation logged.

Greg recommended people drive there for the event or that the club hire a bus to go.

Proposed Project

Martin outlined a project proposed by **Kerry Parsons** to buy a house on a sub-dividable block of land. Members would be offered the opportunity to help finance the project, and **Martin** was going to put the details in an email to all members.

Martin asked members to respond to the email by next Monday, 9 September, so that if the project is able to go ahead, he would have the information he needs at hand and can present it to the Rotary Club of Attadale Board meeting on Tuesday, 10 September.

Lots of Laughter

Martin entertained the members and extracted many Happy Dollars.

- **Mick** was fined because he had not read the Bulletin where he would have found the pictorial directions, with RED arrows to our storage cupboard, as he was on set up and pack up and did not know where to go
- **Mick** was also fined because, he has obviously NOT done set up or pack up FOREVER because he asked where the KEY was for the cupboard!!!!!!!!!!

**No one can remember a key;
it has always been a combination lock**

- **Mick** needs to bring more money to Rotary as he now owes **Greg**, who paid some of his fines.
- **Mick** was fined because when asked by **Martin** if he would like to see some magic or hear a joke, **Mick** said 'Your magic is a joke' **Martin** was so wounded; he couldn't sleep for two nights!!!!!!!!!!

Mick Donnes

Just for Mick we will publish again the new position for our storage cupboard

Turn left at end of the passage

Cupboard is through the curtains on the back wall

The badge box goes on the floor between cupboard and wall. Only banners on top of cupboard.

Kerry and Abby on holiday in the North West

Gail and Colin celebrated their 48th Wedding Anniversary and shared that they have been together for 55 years

Thank You

A big thank you to **Helen James** for all the delicious treats that were enjoyed with tea and coffee.

Offers to cook

Thankyou to **Gillian Baker** for offering to cook for next week.

Can you help?????

Wanted Annual Reports

Mal Bennett has been looking after the history of the Rotary Club of Attadale and doing a great job. He is looking for the annual reports for the years 2013 – 2014 when **George** was President and the years 2015 – 2016 when **Carole** was President

If you have a copy of these can you please make contact with Mal so he can make a copy from them.

Movie Event

Please invite family and friends to share in this event.

Gillian has asked that we staple the raffle tickets to the tickets she has given us.

Please give items for the raffle to Gillian or Giovanna.
