'Vincent's Project'

Constitution ~ Jeff

The Rotary International's new General Constitution and the changes to the Western Australian By-Laws were voted on and accepted by the members.

Guest Speaker James Doogue ~ 'Adventures in the Middle East'

James spoke to the meeting about his trip to the Middle East. He visited a number of different countries in the area and had a range of amazing experiences.

James flew over a huge refugee camp and said that Jordan receives hundreds of millions of dollars from the United Nations to house the refugees they take in. The camps are often near cities so that the refugees can try and find work.

He saw many wind turbine farms in his travels and about 40% of the turbines were broken. They are very hard to maintain.

In contrast to the modern inventions he was surrounded by Bedouins that live in tents and have goats and camels.

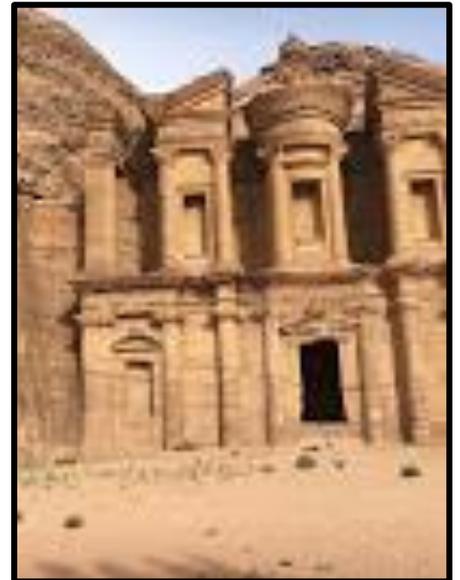

James visited Petra, the famous archaeological site in Jordan's southwestern desert. It is a vast, unique, carved city that is accessed via a narrow canyon called Al Siq and it contains tombs and temples carved into pink sandstone cliffs, earning its nickname, the 'Rose City'. Its most famous structure is 45m-high 'Al Khazneh', a temple with an ornate, Greek-style facade, and known as The Treasury.

James also shared his experiences in Egypt, such as visiting the pyramids, sailing down the Nile in a felucca, seeing Garbage City in Cairo and going to the biggest Christian Cave Church.

He spoke about new homes and buildings in Israel now by law have to have a blast-proof room including air filters in case of gas attacks.

He certainly saw and experienced a wide range of different cultures and landscapes which we enjoyed hearing about.

Winners

Congratulations to **James** on winning the Door Prize and **also** the Raffle but not the Joker.

District Conference

Greg encouraged everyone to think about attending the District Conference in Collie next March 22 to 24.

Fines Session

Rod kept us all entertained fining all and sundry for a wide range of offences.

Theatre Night

Congratulations **Gillian** on all the work you did to make the Theatre Night so enjoyable. Your attention to detail and planning is much appreciated.

Thank you to all the people who invited family and friends, provided supper, contributed prizes for the raffle or helped on the night.

The play was a great success. The humour was fantastic with lots of laughter from the audience, the actors were amazing and the set very well done.

Family of Rotary

John Sharp told the meeting that his wife **Trish** had two serious fractures in her upper right arm and had spent four days in hospital. She has been home ten days and barely been out of bed since then as she gets exhausted fairly quickly.

The pain killers make her sick and the anti sickness tablets increase the pain.

She probably won't be driving for two months at best.

She would welcome visitors but would appreciate a phone call before you come to ensure she is home and no one else is visiting.

Judy Marsh is also home, recovering from a knee replacement and doing very well.

Kerry reported that **Yared** was born with a genetic problem with his heart. He had an operation about ten years ago but two weeks ago he had a relapse and was sent to India where he had open heart surgery. He is now recovering well.

Guest speaker not to be missed ~ Bring a Friend

Vincent Pettinicchio will be speaking to the Rotary Club of Attadale on Monday 1st October about his personal project 'Vincent's Project'

He started Vincent's project in 2013 when he was 7 years old. He was affected by the sight of homeless people in Perth while shopping with his Mum and thought about what would make their life a bit more comfortable. He is now 13 years old and he has produced hundreds of packages for the homeless. Obviously supported by his family, friends, school friends and generous donors. This young man has deservedly been given many awards for his great work and it still continues. To hear Vincent, tell his personal story is inspiring and should not be missed as it will have a lasting effect on all who hear his story. In 2016 he was the youngest recipient of a Paul Harris Fellowship by the Rotary Club of Hillarys.
