Next Monday, July 3, our speaker is Tor Taranto.

Tor founded Cana in Perth after relocating here in 2016. A strong advocate for opportunity and hope to the disadvantaged, she exercises her human relations support and sense of social justice. Tor's previous career in the private sector spanned over 10 years as a Human Resources professional at top tier organisations in London and Sydney.

Tor is a board member and key management team leader within the national operations of Cana Communities.

Cana WA's mission is creating an all-inclusive community; offering two safe transitional homes, a food truck, which provides community outreach and hospitality; and a programme of learning and possible pathway to employment for those in need.

Tor's talk will cover Cana's work, who they work with and their relational model of supporting and caring for people who are alienated from our mainstream society and how people might like to get involved.

PORTCARE

If anyone has recycled clothing at home to go to PortCare, I can arrange to come and pick up clothing and take it. I have taken two boot loads so far this year in addition to other clothing dropped by Rotarians. Send me a message on mellview@bigpond.com with your contact details and I will arrange a collection. ~ **Llew Withers**
